On October 6, 2015, the Staff of the Missouri Public Service Commission filed a motion requesting WDT World Discount Telecommunications Co. ("WDT") certificate of service authority and accompanying tariff to provide interexchange telecommunication services in the State of Missouri be cancelled.

In File Number XA-2004-0145, the Commission granted WDT a certificate of service authority to provide interexchange telecommunication service in the State of Missouri. The Company's tariff, P.S.C. Mo No. 1, was also approved.

Staff states in its motion that WDT contacted Staff via letter stating WDT was no longer providing service in Missouri and requested the Commission cancel WDT's certificate of service authority. Staff recommends that the Commission cancel the company's certificate of service authority to provide interexchange telecommunications services, and the company's accompanying tariff.

On October 9, 2015, the Commission issued an Order Establishing Time to Respond allowing any parties to file an objection or request a hearing to do so no later than October 19, 2015. No objections or requests for a hearing were filed.

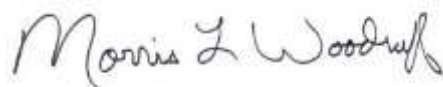

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, “[a]ny certificate or service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

Based on Staff’s motion, the Commission finds that the certificate of service authority and accompanying tariff granted to WDT World Discount Telecommunications Co., shall be canceled.
