On June 5, 2007, the Commission approved STI Prepaid, LLC, and Dialaround Enterprises, Inc.'s joint application to transfer substantially all of Dialaround's assets to STI Prepaid. Upon completion of the transfer, Dialaround would surrender its authority to provide telecommunications services in Missouri. The transaction required the approval of several state commissions in addition to the Missouri Public Service Commission, and the parties were directed to notify the Commission when the transfer of assets had been completed.

On June 15, 2010, the parties filed a status update informing the Commission that all regulatory approvals have been received and they have completed the transfer of assets. The Commission will now cancel Dialaround's certificate of service authority and tariff and close this case.

THE COMMISSION ORDERS THAT:

1. Dialaround Enterprises, Inc.'s certificate of service authority to provide interexchange telecommunications services in Missouri, approved on February 20, 2003, in File No. XA-2003-0241, is canceled.
2. Dialaround Enterprises, Inc.'s tariff, Tariff No. YX-2003-1339, is canceled.

3. This order shall become effective June 27, 2010.
