Dear Mr. Reed:

Enclosed for the Commission's approval, ExOp Long Distance d/b/a FairPoint Communications, hereby submits the following tariff pages with changes to be effective July 1, 2014:

Second Revised Sheet 34  
Second Revised Sheet 35

The purpose of this filing is to increase residential and business access lines and bundled package rates by \$2.00. EPAK II and Voice Advantage II rates are excluded from this increase. The components in these two packages have been adjusted to accommodate the access line rate increase, but the overall changes do not reflect any increase in bundle rates for these customers. Additionally, Directory listings language and rates has been added to the tariff.
