## C. USE OF SERVICE AND FACILITIES

## 1. Use of Customer Service

Customer telephone service is furnished only for use by the customer, his family, employees or business associates, or persons residing in the customer's household, except as the use of the service may be extended to joint users or to persons temporarily subleasing a customer's premises.

## 2. Abuse or Fraudulent Use of Service

The service is furnished subject to the condition that there will be no abuse or fraudulent use of the service. Abuse or fraudulent use of the service includes:

- a. The use of service or facilities of the Company to transmit a message or to locate a person or otherwise to give or obtain information without payment of the charge applicable for service.
- b. The obtaining, or attempting to obtain, or assisting another to obtain or to attempt to obtain service by rearranging, tampering with or make connection with any facilities of the Company, or by any trick, scheme, false representation or false credit device, or by or through any other fraudulent means or device whatsoever with intent to avoid the payment, in whole, or in part, of the regular charge for such service.
- c. The use of service or facilities of the Company for a call or calls, anonymous or otherwise, if in a manner reasonably to be expected to frighten, abuse, torment or harass another.
- d. The use of profane or obscene language.

## D. ESTABLISHMENT AND FURNISHING OF SERVICE - Business Only

## 1. Application for Service

- a. Applications for service may be made orally or in writing. These applications become contracts upon the establishment of service.
- b. Any change in rates or regulations prescribed by the Missouri Public Service Commission modifies the terms and regulations of contracts to the extent of such change.

## 2. Advance Payments

- a. At the time an application for service is made, an applicant may be required to pay an amount equal to at least one month's service and/or service connection charges, which may be applicable. The amount of the first month's service is credited to the customer's account on the first bill rendered.

## 3. Deposits and Guarantees of Payment

- a. The Company may require a deposit or guarantee as a condition of service.
- b. No deposit or guarantee will be required by the Company because of race, sex, creed, national origin, marital status, age, number of dependents, condition of physical handicap, source of income, or geographical area of business.
- c. A deposit is subject to the following terms:
  - 1) It will not exceed estimated charges for two months service based on the customer's average bill during the preceeding twelve months or estimated for the next twelve months by the customer and the Company.

c. A deposit is subject to the following terms:

- 2) It will bear interest of 9 percent annum which will be credited annually upon the account of the customer or paid upon the return of the deposit whichever occurs first. Interest will not accrue on any deposit after the date on which a reasonable effort has been made to return it to the customer.
- 3) Upon discontinuance or termination, it will be credited, with accrued interest, to the charge stated on the final bill and the balance, if any, will be returned to the customer within 21 days of rendition of such final bill.
- 4) Upon satisfactory payment of all undisputed charges during the last twelve billing periods, it will, with accrued interest, be promptly refunded or credited against charges stated on subsequent bills. Payment of a charge is satisfactory if received prior to the date upon which the charge becomes delinquent provided it is not in dispute. The Company may withhold refund of a deposit pending the resolution of a dispute with respect to charges secured by such deposit.
- 5) Each customer posting a deposit will receive a receipt in writing at that time or within ten days.

## 1. Application for Service

- a. The company does not provide service to residential subscribers. The service can be provided from a residence if the subscriber uses it for business purposes. All of the same terms and conditions apply as in the case of commercial subscribers.

## F. BILLING AND PAYMENT

1. The Company will render a bill during each billing period for monthly recurring charges in advance and usage charges in arrears.
2. The customer is responsible for all charges in conjunction with the services furnished him.
3. The Company will render bills on a cyclical basis whereby the customer receives his bill on or about the same day of each month. Billing cycles may be altered by sending an insert or other written notice explaining the alteration not less than 30 days prior to the effective date of the alteration. This notification is not required when the customer disconnects and reconnects service or transfers service from one premise to another, which may affect the Customer's billing cycle.
4. Bills are due as specified on the bill and may be paid at any business office of the Company or at any agency authorized to receive such payments.

## G. DISCONTINUANCE OF SERVICE

1. The Company may discontinue the service under the following circumstances, provided suitable notice has been given to the customer, as required:
  - a. Nonpayment of an undisputed delinquent charge.
  - b. Failure to post a required deposit or guarantee.
  - c. Failure to substantially comply with the terms of a settlement agreement.
  - d. Material misrepresentation of identify in obtaining telephone utility service, and use of the service in such a manner that, in the opinion of the Company, constitutes abuse or fraud.
  - e. As provided by state or federal laws.
2. Service shall not be disconnected under G.1. unless written notice by first class mail is sent or delivered to the customer at least 5 days prior to the date of proposed discontinuance.
3. At least 24 hours preceding a discontinuance, the Company will make reasonable efforts to contact the customer to advise of the proposed discontinuance and what steps must be taken to avoid discontinuance.
4. Service may be discontinued during normal business hours on or after the date specified in the notice of discontinuance. Service will not be discontinued on a day when the offices of the Company are not available to facilitate reconnection of service, or on a day immediately preceding such a day. Service will not be discontinued for nonpayment of delinquent charges within five days after a charge has become delinquent, except as provided under G.7. of this section.

## G. DISCONTINUANCE OF SERVICE (Continued)

5. The Company will postpone a discontinuance for a time not in excess of 21 days if the telephone is necessary to obtain emergency medical assistance for a person who is a member of the household where the telephone service is provided and where such person is under care of a physician. Any person who alleges such emergency shall, if requested, provide the Company with reasonable evidence of such necessity.
6. The Company will restore service upon the customer's request when the cause for discontinuance has been eliminated.
7. Notwithstanding any of the preceding provisions in this section, service to a customer may be discontinued at any time after written notice has been sent, certified mail, to such customer at his last known address and at the address where the service to be discontinued is provided if such a customer:
  - a. Incurs charges not covered by a deposit or guarantee and evidences an intent not to pay such charges when due.
  - b. Upon written objection to the furnishing of a service made in writing by or on behalf of any governmental law enforcement agency acting within its jurisdiction on the grounds that such service is, or will be, used for an illegal purpose.
  - c. The notice required in 7.a. will state how the customer has evidenced his intent not to pay such charges when due.
8. a. Payment may be made by the customer for restoration of service in any reasonable manner including personal check. A personal check may be refused if a customer check for payment of service has been dishonored, excepting bank error, within the last twelve months.

## H. MINIMUM CONTRACT PERIODS

1. Except as specified elsewhere in this Tariff, the minimum contract period is one month from the date service or additions to service are established and the minimum charge is the authorized rate for one month. For purposes of rate administration, each month is considered to have 30 days.
2. The Company may require a contract period longer than one month at the same location in connection with special types or arrangements of service.

## I. TERMINATION OF SERVICE

1. Contracts for service may be terminated prior to the expiration of the contract period provided advance notice is given to the Company and upon agreement to pay all charges due for the service furnished, plus any termination charges which might be applicable.
2. No minimum or termination charge will apply (unless otherwise stated specifically in this Tariff) where a new customer takes over the service of the former customer, provided the service is to be furnished at the same location without interruption and that the new customer assumes all unpaid charges on the original contract. Minimum and termination charges will apply for any service furnished under the original contract which is not retained by the new customer.
3. Where a contract for service with a one-month minimum period is cancelled before establishment of the service is completed, a charge not to exceed the service charge specified is applied if all or a portion of the service has been installed.
4. No minimum or termination charge will apply in the event the service is terminated because of condemnation, destruction or damage to property by fire or other cause beyond the control of the customer.

American Communications Customer Toll Free 800 service is an inbound toll free service for use by your customers, sales reps or anyone you want to reach you toll free. It combines the flexibility of a single 800 number nationwide with the convenience of receiving incoming calls on any available business line. This means your customers will always be able to get through without the expense of costly dedicated lines tying up your phone system.

Here's how it works. You are assigned a 3 digit extension number to publish along with the special American Communications 800 number. Your customers dial the 800 number and are greeted by one of our professional operators. The customer then gives our operator the extension number and the call is then automatically forwarded to a telephone number predesignated by you. This predesignated number can be changed from time to time at no charge at your request.

ACI's Customer Toll Free 800 Service provides:

- b. Message Storage and Forward. This service provides the customer with a message relay service. The customer will dial a predesignated number, tape the desired message and specify the date and time for delivery. Attempts to deliver the message will be made in the following manner. The initial attempt will correspond with the customer's requested time of delivery, the next three (3) attempts will be spaced fifteen (15) minutes apart, and the last four (4) attempts will be spaced sixty (60) minutes apart. No more than eight (8) attempts at delivery will be made. There is no guarantee of successful delivery of messages. The rates and charges for this service are as follows:

<u>Activity</u>	<u>Charge</u>
Taping of message	\$0.29 per minute
Relay of message*	\$0.29 per minute
Operator Surcharge:	
Station to Station	\$2.00 per taped message
Person to Person	\$3.75 per taped message

The operator surcharge applies even if there has been no success in delivering the message to the appropriate party.

Billing Accuracy: Calls will be billed on 1 minute increments. All calls will be rounded up to the nearest cent.

Answer Detection: American Communications has hardware and voice energy detect answer supervision.
