3.0 LONG DISTANCE SERVICES

DEC 18 1996

3.7.1 Advantage Switched Long Distance Service

MISSOURI
Public Service Commission

Advantage Switched Long Distance Service is a flat rate direct dialed interchange service which utilizes switched access facilities, from equal access locations, on the originating end of each call. Calls are billed in six (6) second increments. All charges are billed monthly in arrears.

3.7.2 Advantage Switched Inbound '800' Service

Advantage Switched Inbound '800' Service provides inbound '800' calls to terminating points throughout the United States which utilizes switched access facilities, from equal access locations, on the terminating end of each call. Charges for the '800' calls are billed to Electric Lightwave, Inc.'s customers rather than the caller. Calls are billed in six (6) second increments with an initial call duration of six (6) seconds. All charges are billed monthly in arrears.

3.7.3 Advantage Dedicated Long Distance Service

Advantage Dedicated Long Distance Service is a flat rate direct dialed interexchange service which utilizes dedicated access facilities on the originating end of each call. Calls are billed in six (6) second increments with an initial call duration of six (6) seconds. All charges are billed monthly in arrears.

3.7.4 Advantage Dedicated Inbound '800'

Advantage Dedicated Inbound '800' Service provides inbound '800' calls utilizing dedicated access facilities on the terminating end of each call. Charges for the '800' calls are billed to the Company's customers rather than the originating caller. Calls are billed in six (6) second increments with an initial call duration of six (6) seconds. All charges are billed monthly in arrears.

MISSOURI
Public Service Commission

3.7.5 ELI Advantage Travel Card Service

ELI Advantage Travel Card Service is a calling card service that allows customers to call to and from anywhere in the United States. The caller dials an 800 number plus their identification code for access and then enters the digits of the terminating number. Calls are billed in arrears.

3.7.6 Directory Assistance Service

Directory Assistance Service provides telephone number information to the requesting customer. Nonpublished telephone number information is not provided with Directory Assistance.

3.0 LONG DISTANCE SERVICES

3.8 Optional Features

MISSOURI
Public Service Commission

3.8.5 800/888 DNIS (Dialled Number Identification Service) Sending

This feature allows the customer to receive DNIS (Dialled Number Identification Service) digits of each 800/888 call received. The Customer can then depend on receiving dialed number identification, or dummy number, of the 800/888 number.

3.8.5 DTO Dedicated

With DTO Dedicated Service (direct termination overflow), the Customer can choose to have their dedicated inbound 800/888 service overflow automatically to another dedicated facility of their choosing.

3.8.6 DTO Switched

With DTO Switched Service, the Customer can choose to have their dedicated inbound 800/888 service overflow automatically to a switched line of their choosing.

3.9 Rates and Charges

Applicable per minute rates for each service are as specified below, and may be determined by both the term of the service commitment and the level of the monthly minimum billing agreed to by the Customer.

3.9.1 Advantage Switched Long Distance Service Rates
