## GENERAL RULES AND REGULATIONS

### XIII. Definitions (Cont'd)

#### Qualifying Low-Income Subscriber

A qualifying low-income subscriber is a subscriber who participates in one of the following programs: Medicaid; food stamps; supplemental security income; federal public housing assistance; or Low-Income Home Energy Assistance Program.

#### Subscriber

The individual, partnership, association, or corporation which contracts for telephone service and is responsible for the payment of charges and compliance with the rules and regulations of the Telephone Company.

#### Telephone Station

A telephone instrument, consisting of a transmitter, receiver, and associated apparatus, so connected as to permit the transmitting and receiving of telephone messages.

1. Main Station: A station directly connected by means of a circuit with a central office. (T)
2. Extension Station: A station connected on the same circuit as the main station and having the same telephone number as the main station. (D)  
(D)

#### Toll Blocking

Toll blocking is a service provided by carriers that lets customers elect not to allow the completion of outgoing toll calls to the Long Distance Message Telecommunications Network, this would include 1+, 0+ and/or 0- operator handled calls.

#### Toll Message

A message from a calling station to a station located in a different local service area.
