Re: Application of UpLync Telecommunications, Inc. for Certificate of
Service Authority to Provide Basic and Facility Based Local Exchange and
Interexchange Telecommunications Services
LA-2004-0136

Dear Mr. Roberts:

Per our recent discussion with Phil Garcia, please consider this letter as our request that the tariff effective dates for YL20040446 and YL20040447 be extended to December 11, 2003. This request is intended to allow us time to file an amendment regarding our submitted tariffs and/or pleadings.

Please direct this filing to the attention of the appropriate Commission personnel.

Thank you for your cooperation and assistance in this matter.

Very truly yours,

David B. Pointer
