FILING VIA EFIS

Mr. Morris L. Woodruff
Secretary of the Commission
Missouri Public Service Commission

**Re: Confluence Rivers Utility Operating Company, Inc. (Water and Sewer)
Files Nos. WA-2021-0425 and SA-2021-0426 – Cedar Green Land Acquisition, LLC**

Dear Mr. Woodruff:

Enclosed for filing with the Missouri Public Service Commission (Commission) on behalf of Confluence Rivers Utility Operating Company, Inc. (Confluence Rivers), please find in electronic format certain water and sewer tariff sheets (list attached).

These tariff sheets are being filed to adopt the existing water and sewer tariffs of Cedar Green Land Acquisition, LLC (Cedar Green) pursuant to the Commission's *Order Granting Certificate of Convenience and Necessity* issued in Case No. WA-2021-0425 and Case No. SA-2021-0426.

In relevant part, Confluence Rivers was directed as follows - "Confluence Rivers shall adopt the current existing water and/or sewer rates for . . . Cedar Green. Confluence Rivers shall file notice to adopt the Cedar Green water and sewer tariffs as P.S.C. MO No. 20 and 21*, respectively, to become effective before closing on the assets. Confluence Rivers file [sic] tariff sheets to revise the service area map and service area written descriptions for Cedar Green."

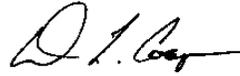

Since the Staff Recommendation was created in this matter, the Commission approved a merger of various companies into Confluence Rivers and directed a tariff filing associated with that merger. As a result, P.S.C. MO No. 20 and 21 are no longer available and Confluence Rivers is filing these tariff sheets as P.S.C. MO No. 28 and 29 (the next available numbers).

Each of the tariff sheets, as provided and listed herein, bears an issue date of December 16, 2021, and a proposed effective date of January 15, 2022. Please bring this filing to the
