G. ESTABLISHMENT AND MAINTENANCE OF CREDIT (Continued)

MISSOURI
Public Service Commission

3. Amount of Deposit or Guarantee (Continued)

Concurrent with the establishment of new service, the customer may post a deposit in two (2) equal monthly installments or as otherwise agreed upon.

4. Interest to be Paid on Deposits

The deposit will bear interest of six (6) percent per annum which will be credited annually upon the account of the customer or paid upon the return of the deposit, whichever occurs first. Interest shall not accrue on any deposit after the date on which a reasonable effort has been made to return it to the customer. Records will be kept of any such efforts made to return the deposit.

5. Return of Deposit or Release of Guarantee

Upon satisfactory payment of all undisputed charges during the last twelve (12) billing periods, the deposit, with accrued interest, will be promptly refunded or credited against charges stated on subsequent bills, or a written guarantee shall be released. Payment of a charge is satisfactory if received prior to the date upon which the charge becomes delinquent provided it is not in dispute.

6. Deposit Not to Affect Regular Collection Practices

The fact that a deposit has been made shall in no way relieve the applicant or subscriber from complying with the telephone company's regulations as to advance payments and the prompt payment of bills on presentation; nor constitute a waiver or modification of the regular practices of the telephone company providing for the discontinuance of service for non-payment of any sums due the telephone company for services rendered. The company may discontinue service to any subscriber failing to pay current bills without regard to the fact that such subscriber has made a deposit with the Company to secure payment of such bills or has furnished the company with a guarantee in writing of such bills.

7. Discontinuance of Service for Failure to Establish Credit

Service may be discontinued for failure to establish, or maintain, credit as authorized above at least five days prior to the date of the proposed discontinuance. The company will mail, by first class mail, or deliver to the customer, a written notice containing a statement of the reasons for the proposed discontinuance, how the customer may avoid the discontinuance and the cost of reconnection.
