Big River Telephone Company, LLC has filed a complaint with the Missouri Public Service Commission in order to invoke the Formal Resolution of Disputes process as allowed in section 13.5.1 of Big River Telephone Company, LLC and Southwestern Bell Telephone Company interconnection agreement. Also per section 13.3.3 of the interconnection agreement, "If CLEC files a dispute and seeks interim relief from the Commission, then SBC MISSOURI may not disconnect CLEC or suspend order acceptance over any open issues involved in the dispute until the Commission has finally ruled on the interim relief request."

The Formal Resolution process was necessary after our Informal Dispute regarding enhanced traffic on ban 1104010113803 was denied by Janice Mullins at AT&T Wholesale on November 1, 2011.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian C. Howe".
