Re: Case No. XM-2008-0186
Tariff File No. _____
Adoption Notice and Revised Title Sheet filed by
Primus Telecommunications, Inc.

Dear Ms. Dale:

In accordance with the relief requested in the above-referenced Case No. XM-2008-0186, *In the Matter of the Application of PRIMUS TELECOMMUNICATIONS, INC. and LEAST COST ROUTING, INC. for Approval of an Internal Reorganization*, Primus Telecommunications, Inc. ("Primus") is filing the attached Adoption Notice and Revised Title Page to the existing tariff of Least Cost Routing, Inc., establishing Primus' Tariff MO P.S.C. No. 3 for the provision of service to those customers that were served by Least Cost Routing, Inc. at the time such internal reorganization is approved.

While the attached tariff sheets reflect a 30-day effective date (Issued date of December 12, 2007 and an Effective date of January 11, 2007), Primus also is filing concurrently herewith its Motion for Expedited Treatment, requesting that the Commission approve such tariffs to be effective on or before December 31, 2007, to coincide with the internal reorganization approval requested in Case No. XM-2008-0186.

There are no changes to the rates, terms or conditions of the underlying tariffs, but merely the required adoption notice language under 4 CSR 240-3.545(20). Regarding the customer notice requirement of said Rule, Primus respectfully incorporates by reference the customer notice previously filed as an Exhibit to its Application in Case No. XM-2008-0186.

Please feel free to contact me regarding any questions you may have concerning this filing, a copy of which is being provided to all parties of record in Case No. XM-2008-0186.

Very truly yours,
