Issue Date: January 29, 2016

Effective Date: February 8, 2016

On January 11, 2016, the Staff of the Missouri Public Service Commission filed a motion requesting Chariton Valley L.D. Corp.'s ("Chariton Valley") certificate of service authority and accompanying tariff to provide interexchange telecommunication services in the State of Missouri be cancelled.

In File Number TA-96-314, the Commission granted Chariton Valley a certificate of service authority to provide interexchange telecommunication service in the State of Missouri. The Company's tariff, P.S.C. Mo No. 2, was also approved.

Staff states in its motion that Chariton Valley contacted Staff via letter stating Chariton Valley was no longer providing service in Missouri and requesting the Commission cancel Chariton Valley's certificate of service authority. Staff recommends that the Commission cancel the company's certificate of service authority to provide interexchange telecommunications services, and the company's accompanying tariff.

On January 13, 2016, the Commission issued an Order Establishing Time to Respond allowing any parties until January 25, 2016 to file an objection or request a hearing.

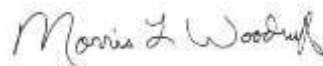

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, “[a]ny certificate or service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

Based on Staff’s motion, the Commission finds that the certificate of service authority and accompanying tariff granted to Chariton Valley L.D. Corp, shall be canceled.

THE COMMISSION ORDERS THAT:

1. The certificate of authority to provide interexchange telecommunications services granted to Chariton Valley L.D. Corp, in File Number TA-96-314, is canceled.
