June 30, 2006

Dear Valued Electric Lightwave Customer:

In February of this year, Citizens Communications entered into an agreement to sell its subsidiary, Electric Lightwave LLC, to Integra Telecom Holdings, Inc. The respective companies' Boards of Directors, federal regulators and the applicable state Public Utilities Commissions have since approved the transaction. We anticipate that the transaction will be finalized in early August, 2006.

ELI will continue to operate as your service provider; however, as a result of this transaction, ELI will become a wholly owned subsidiary of Integra. Your services, rates and terms will not be affected as a result of this transaction.

Shortly after the transaction is finalized, ELI will begin doing business as Integra Telecom. While you will begin receiving bills with the Integra name and logo, the format of your bill will remain the same. Additionally, Integra plans to enhance your service relationship by staffing customer service and technical personnel in your local market. This is part of the company's unique brand of highly responsive customer service. An "Information Kit" will be sent to you close to the time of closing the transaction, explaining these and other service enhancements coming your way.

Integra has been serving business customers since 1996 and has a reputation in the industry for providing high-quality customer service as well as a proven track record of success in product delivery and operations. Since the merger agreement was announced, we have been working closely with Integra Telecom to ensure a smooth transition of customer information and support.

We look forward to continuing our service relationship and we thank you for the opportunity to serve you. If you have any questions or concerns about your service, or any other matters, please call Electric Lightwave at 1-800-622-4354.

Sincerely,

Melinda White
