In the Matter of the Application of Phonetec PCS, LLC,     )  
for the Cancellation of its Certificate of Service Authority.   )  
**Case No. XD-2005-0372**

## **ORDER CANCELING CERTIFICATE AND ACCOMPANYING TARIFF**

Issue Date: June 3, 2005

Effective Date: June 13, 2005

On April 18, 2005, the Commission received an Application for the Cancellation of Certificate of Service Authority from Phonetec PCS, LLC. Phonetec states that it received a certificate of service authority to provide interexchange telecommunications services in Case No. XA-2004-0270. Phonetec indicates that it currently has no customers, and that it has determined that it no longer wishes to be a certificated provider in the state of Missouri. The company therefore requests that the Commission terminate its certificate and accompanying tariff.

On May 13, 2005, Staff filed its recommendation and memorandum. Staff recommends that the Commission cancel the company's certificate of service authority and its accompanying tariff, P.S.C. Mo. Tariff No. 1. Staff notes that the company is not delinquent in filing an annual report or in paying its annual assessments.

The Commission is given the authority to cancel a telecommunications corporation's certificate by Section 392.410, which provides that "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

The Commission has reviewed the pleadings and finds that it should cancel the certificate of service authority and accompanying tariff granted to Phonetec in Case No. XA-2004-0270.

**IT IS THEREFORE ORDERED:**

1. That the certificate of service authority to provide intrastate interexchange telecommunications services granted to Phonetec PCS, LLC, is canceled.
2. That the accompanying tariff, P.S.C. Mo. Tariff No. 1, is canceled.
3. That this order shall become effective on June 13, 2005.
4. That this case may be closed on June 14, 2005.
