REC'D JUL 13 2001

.1 MTS (Continued)

.5 Institutional Telecommunications Service (ITS)

Service Commission

ITS is defined as telephone service to any type of confinement facility, in secured areas (i.e., prisons, jails, workfarms, detention centers, etc.) will be provided subject to the following:

ITS will be arranged for outward calling only. Such calls may be terminated after (15) fifteen minutes of conversation time or sooner, at the discretion of the administrator, or in the case of an emergency, in accordance with the rules or regulations of the correctional facility. Sprint will not provide credit or equivalent service to the called or calling parties for such calls.

ITS will be arranged to block Directory Assistance calls. Unrestricted public telephone service may be provided, at the administrator's request, in a fully supervised location.

Except as otherwise provided, ITS will be arranged to allow only 0+ collect calls for local, intraLATA and interLATA calls. All other calls and dialing arrangements, including but not limited to local direct, credit card, third number, 1+ sent-paid, all 0-, 700, 800, 900, 976, 950, 911 and 10XXX shall be blocked.

At the request of the facility administrator, Sprint may arrange to limit individual inmate calls to approved telephone numbers.

At the request of the facility administrator, call detail information such as date and time of the call, duration of the call, and called and calling telephone numbers may be furnished to the facility where prison authorities stipulate such information is appropriate in preventing or identifying abuse or unlawful use of service and where the provision of such information is not in violation of any federal, state or local laws, regulations or orders.

Sprint will insure that a positive response from the called party indicating a willingness to pay for the call is received for completing the call. A positive response is defined as a pulse/tone generated response or a verbal acceptance.

Sprint will terminate the call within 15 seconds from the last message given if no positive acceptance is received.

Intrastate calls will be handled in compliance with the rules and regulations set forth by the Missouri Public Service Commission.

Missouri Public

Calls placed via the ITS are charged ITS per-minute usage rates and surcharges as set forth in Rate Schedule, Section 1.6.1 of this tariff.

1. Sprint Unlimited Nights and Weekends is restricted to one residential access line that meets the eligibility requirements. (T)
2. The customer may not use this service for commercial use, for connection to the Internet, for other data services (including facsimile transmissions) or for any other use that does not involve a person-to-person conversation or voice message.
3. If it is determined that the customer's usage is not consistent with residential voice service, the customer will be assessed a \$50 data monthly charge or be disconnected.
4. A customer's phone line may not be classified as a "business", "public" or "semi-public" line.
5. If Sprint determines that the service is not being used for individual residential service, or in any other way violates the intended use of this service, Sprint may suspend or terminate the customer's service.
6. This service is available for use by individuals residing at a single-family residence, including but not limited to a house, condominium, or apartment, where service is being provided. This service is not available in group or multi-family housing, including but not limited to housing associated with educational institutions or military barracks.
7. Use of any feature, including but not limited to call forwarding, on a planned and continuing basis to allow an originating caller to avoid long distance charges is prohibited.
8. The term "usage" does not include: 1) usage from multi-party conference calls; 2) calls to 700/900 NPA's; 3) calls to Directory Assistance; 4) FÖNCARD calls; 5) operator service calls or 6) inbound toll free calls.
9. All call placement charges, connection fees and surcharges apply per call.

.9 Sprint State Solutions 30

Sprint State Solutions 30 is an add-on to Sprint's interstate offering. Customers must subscribe to the Dial-1 interstate and intrastate Sprint State Solutions 30. A per-minute rate applies on all domestic interstate and intrastate calls, 24 hours a day, seven days a week.

Sprint State Solutions 30 is only available to residential customers whose local service is provided by a Sprint LTD Company. Customers must select Sprint as their primary exchange carrier. These rates will apply as long as the customer remains both a Sprint Communications Company, L.P. and a Sprint LTD customer.

This service can be ordered only through a Sprint LTD company and is restricted to one access line per account. Use of any feature, including but not limited to call forwarding, on a planned and continuing basis to allow an originating caller to avoid long distance charges is prohibited.

A customer's phone line may not be classified as a "business", "public" or "semi-public" line. If Sprint determines that the service is not being used for individual residential service, or in any other way violates the restrictions of this service, Sprint may suspend or terminate the customer's service.

This service is available for use by individuals residing at a single-family residence, including but not limited to a house, condominium, or apartment, where service is being provided. This service is not available in group or multi-family housing, including but not limited to housing associated with educational institutions or military barracks.

Dial-1 calling does not include: 1) usage from multi-party conference calls; 2) calls to 900, 976, 555 and 700 NPA's; 3) calls to Directory Assistance; 4) FÖNCARD calls; 5) operator service calls and intercept call completion or 6) inbound toll free calls.

FÖNCARD service and Operator Services are available. All call placement charges, connection fees and surcharges apply per call.

Effective April 29, 2006, Sprint Solutions Services will no longer be available to new customers. In addition, existing customers will no longer be allowed to make changes to their plan.

.10 Sprint Simple 7 II

Customers who subscribe to Sprint Simple 7 II must also subscribe to the Company interstate offering, Sprint 7¢ AnyTime. The Sprint Simple 7 II monthly recurring charge is located in the Rate Schedule Section 1.8.10 of this tariff. Customers who subscribe to Sprint Simple 7 II and Sprint 7¢ AnyTime will only be charged the Sprint Simple 7 II monthly recurring charge.

Sprint Simple 7 II is not available to those residential customers whose home phone line is classified as a "business", "public" or "semi-public" line. The subscriber must be a Sprint LTD customer and may not have more than two lines per account. Customers must subscribe to Sprint Simple 7 II for outbound Dial-1 service. In addition: 1) subscriber's phone line may not be in housing associated with educational institutions, and 2) subscriber may not use this service for commercial use, or for connection to the Internet, for other data services (including facsimile transmissions) or for any other use that does not involve a person-to-person conversation or voice message. The term usage does not include usage from multi-party conference calls, calls to 900 NPAs, or calls to Directory Assistance. If the Company determines the service is not being used for individual residential service, or in any other way violates the restrictions of this service, the subscriber will be ineligible for this product and the Company may terminate the subscriber's account.

A flat, non-distance, non-time of day rate will apply to the customer's intrastate Dial-1, FÖNCARD and Operator Service calls. A monthly recurring charge is applicable.

Effective April 29, 2006, Sprint Solutions Services will no longer be available to new customers. In addition, existing customers will no longer be allowed to make changes to their plan.

4. SERVICE AND RATE DESCRIPTION (Continued).1 MTS (Continued).11 Sprint 50 at Home

Sprint 50 at Home is a residential intrastate service. Customers who sign up for both Sprint 50 at Home service and subscribe to Sprint PCS or Nextel wireless service will receive 50 minutes of Dial-1 usage at no charge. Beginning October 12, 2002, customers enrolling in this service must choose the Company as their interLATA and intraLATA carrier, except in areas where the Company does not offer intraLATA service. Any minutes of Dial-1 usage above the 50 minutes will be charged a flat per minute rate. Customers enrolling prior to October 12, 2002 will continue to receive the 50 minutes per month as long as the customer continues to subscribe to both Sprint 50 at Home and Sprint PCS or Nextel wireless service. Customers enrolling after October 12, 2002 will continue to receive the 50 minutes per month as long as the customer subscribes to Sprint 50 at Home, Sprint PCS Service or Nextel wireless and has the Company as their interLATA and intraLATA carrier. Customers canceling any of the required services will be switched to Sprint 7¢ AnyTime - 12¢ Intrastate.

Sprint 50 at Home is not available to those residential customers whose home phone line is classified as a "business", "public" or "semi-public" line. Customers must subscribe to Sprint 50 at Home for outbound Dial-1 service. The customer's account may not have more than two residential phone lines associated with the customer's account, and the customer is limited to two Sprint 50 at Home accounts for each Sprint PCS or Nextel wireless account. If a customer's account has two lines, the 50 minutes of Dial-1 usage provided under this service is shared. The 50 minutes per month of Dial-1 usage do not include usage from Sprint FONCARD, calls conference calls, calls to 900, 976, 555 and 700 NPAs, calls to Directory Assistance, calls using operator service including emergency interrupt, or inbound toll-free calls. If the Company determines that the service is not being used for individual residential service, or in any other way violates the restrictions of this service, the Company may suspend or terminate the subscriber's service.

Sprint Complete Sense bundled services are available only to Sprint Communications Company L.P. local exchange customers who subscribe to Sprint bundled services as specified in Section 4.2 of the Sprint Communications Company L.P., Missouri P.S.C. Local Exchange Tariff No. 4. (T)

The customer's phone line may not be classified as a "business", "public", or "semi-public" line and may not be in housing associated with educational institutions. The unlimited minutes of Dial-1 usage do not include usage from multi-party conference calls, calls to 900 NPAs, calls to Directory Assistance, FÖNCARD service or operator service. The customer may not use this service for commercial use, for connection to the Internet, for other data service (including facsimile transmissions) or for any other use that does not involve a person-to-person conversation or voice message. Sprint will prorate all charges and associated usage in the initial month and last month of service based on a 30-day month.

These bundled services are for use by residential customers. If it is determined that usage is not consistent with residential voice applications, the customer's service may be assessed a \$50.00* monthly recurring data charge or disconnected.

.1 Sprint Complete Sense 250 (T)(C)**

A Sprint Complete Sense 250 customer will pay a monthly recurring charge. (T)
The customer is able to use 250 minutes per month for direct-dialed IntraLATA toll, in-state and state-to-state Dial-1 calls at no charge. Any usage above the predetermined minutes will be charged a flat, non-distance sensitive per-minute rate. Unused minutes cannot be carried over to the next month. See Section 1.15.1 of this tariff for applicable rates.

* This charge is identical to and shall not be addition to any monthly recurring data charge applicable to companion Federal Service or to companion local exchange service.

The customer may not use this service for commercial use, for connection to the Internet, for other data service (including facsimile transmissions) or for any other use that does not involve a person-to-person conversation or voice message. Sprint will prorate all charges and associated usage in the initial month and last month of service based on a 30-day month.

These bundled services are for use by residential customers. If it is determined that usage is not consistent with residential voice applications, the customer's service may be assessed a \$50.00* monthly recurring data charge or disconnected.

.1 Sprint Complete SenseSM 250

A Sprint Complete SenseSM 250 customer will pay a monthly recurring charge. The customer is able to use 250 minutes per month for direct-dialed IntraLATA toll, in-state and state-to-state Dial-1 calls at no charge. Any usage above the predetermined minutes will be charged a flat, non-distance sensitive per-minute rate. Unused minutes cannot be carried over to the next month. See Section 1.15.1 of this tariff for applicable rates.

* This charge is identical to and shall not be addition to any monthly recurring data charge applicable to companion Federal Service or to companion local exchange service.
