Schedule EDR (FROZEN) (continued)	Formatted Table
APPLICABILITY: (Continued)	
PAE PCD * HRS	
where:	
PAE = Projected Annual Energy (kWh) HRS = Hours in year (8760) PCD = Projected Customer Demand coincident with Company System Peak Demand.	
If the above load factor criterion is not met, the Company may consider the following other factors when determining qualification for the Rider:	
a. The creation of 100 or more new permanent full-time jobs;b. Capital investment of \$500,000 or more.	
 The peak demand of the new or additional facility is reasonably projected to be at least two- hundred (200) kW within two years of the date the Customer first receives service under this Rider. 	
All requests for service under this Rider will be considered by the Company. Sufficiently detailed information shall be provided, by the Customer, to enable the Company to determine whether a facility is qualified for the Rider. Service under this Rider shall be evidenced by a contract between the Customer and the Company, which shall be submitted to the Commission.

INCENTIVE PROVISIONS:

Revenue Determination: 1.

The pre-tax revenues under this Rider shall be determined by reducing otherwise applicable charges, associated with the SGS, MGS, LGS, LPS, SGA, MGA, or LGA rate schedules, by 30% during the first contract year, 25% during the second contract year, 20% during the third contract year, 15% during the fourth contract year and 10% during the fifth contract year. After the fifth contract year, this incentive provision shall cease. All other billing, operational and related provisions of the aforementioned rate schedules shall remain in effect. The reductions under this Rider shall not apply to service rendered to the Customer during the three (3) months beginning with the first regular meter reading occurring on or after June 1 of each year.

Bills for separately metered service to existing Customers, pursuant to the provisions of this Rider, will be calculated independently of any other service rendered to the Customer at the same or other locations.

2. Shifting of Existing Load:

For Customers with existing facilities at one or more locations in the Company's combined service area, this Rider shall not be applicable to service provided at any other delivery point prior to receiving service under this Rider. Failure to comply with this provision may result in termination of service under this Rider.

3. Local Service Facilities:

The Company will not require a contribution in aid of construction for standard facilities installed to serve the Customer if the expected revenues from the new load are determined to be sufficient to justify the required investment in the facilities.

TERMINATION:

Failure of the Customer to meet any of the applicability criteria of this Rider, used to qualify the Customer for acceptance on the Rider, within two (2) years of the date service under this Rider begins, may lead to termination of service under this Rider.
