REC'D JAN 13 2000

1. APPLICATION OF TARIFF

This tariff contains the regulations and rates applicable to the provision of long distance telecommunications service by Univance Telecommunications, Inc. ("the Company"), from its operating location(s) in the State of Missouri as specified in Sections 3.1.1(a) and 3.2.1(a). Service is furnished subject to transmission, atmospheric and like conditions.

2. REGULATIONS

2.1 Undertaking of the Company

2.1.1 Scope

The Company undertakes to provide Long Distance Telecommunications Service in accordance with the terms and conditions set forth in this tariff.

2.1.2 Shortage of Facilities

All service is subject to availability of suitable facilities. The Company reserves the right to limit the length of communications or to discontinue services when necessary because of the lack of local facilities or other transmission medium capacity or because of any causes beyond its control.

2.1.3 Liability of the Company

Except as stated in Section 2.1.3, the Company shall have no liability for damages of any kind arising out of or related to events, acts, rights or privileges contemplated in this tariff.

- (A) Company shall not be liable for any failure of performance hereunder for any claim or loss, expense of damages (including indirect, special or consequential damages) for any interruption, delay, error, mistake, omission, or other defect or misrepresentation in any service, facility (including services and facilities involved in emergency calling activity) or transmission provided under this tariff, if caused by any person or entity other than Company, by any malfunction of any service or facility provided by any other carrier, by an act of God, fire, war, explosion, vandalism, cable cut, storm, riot, civil disturbance, or act of government, or by any other similar occurrence or cause beyond Univance Telecommunications, Inc. direct control.

2. REGULATIONS (Cont'd)

2.3 Obligations of the Customer (Cont'd)

2.3.3 Credit Requirements and Deposit Information (Cont'd)

Univance Telecommunications, Inc. handles complaints regarding transmission or network problems immediately via "trouble tickets" issued on line to Frontier Communications. Univance Telecommunications, Inc. follows up with customers to insure the problems have been corrected. Problems stemming from charges or credits owed are also handled immediately via 24-hour customer service. All customers may reach Univance Telecommunications, Inc. through our toll free line 1-800-864-4306. Should customers feel they have been overcharged or misrepresented and have documented proof of rates offered, Univance Telecommunications, Inc. will immediately credit all overcharges. Univance Telecommunications, Inc. will make reasonable efforts to honor all rates. If it is determined the rates offered are unreasonable and / or unprofitable, Univance Telecommunications, Inc. will pay the charges to convert the customer to their previous carrier.

Univance Telecommunications, Inc. practices "standard" rate programs for all customers. In the event Univance Telecommunications, Inc. was to provide a "non-standard" rate program, Univance Telecommunications, Inc. would file an additional tariff in the appropriate state of which the customer does business and any state affected due to remote office.

2.4 Use of Service

Long Distance Telecommunications Service may be used to transmit communication of the Customer in a manner consistent with the terms of this tariff and the policies and regulations of the Federal Communications Commission.

Use of Long Distance Telecommunications Service is considered an order for such service.

2.5 Customer Equipment and Channels

2.5.1 Interconnection of Facilities

- (A) Interconnection between Customer-provided and Company-provided service must be made by the Customer by leased channel or dial-up service. Where interconnection between Customer-provided and Company-provided service is not made by lease of Company facilities, interconnection must be made by the Customer at the Company's operating offices. Leased channels from the Company for Long Distance Telecommunications Services are not covered by this tariff.

- (B) In order to protect the Company's facilities and personnel and the services furnished to other customers by the Company from potentially harmful effects, the signals applied to the Company's service shall be such as not to cause damage to the facilities of the Company. Any special interface equipment necessary to achieve the compatibility between facilities of the Company and the channels or facilities of others shall be provided at the Customer's expense.

2.5.2 Inspections

- (A) The Company may, upon notification of the Customer, at a reasonable time, make such tests and inspections as may be necessary to determine that the requirements regarding the equipment and interconnections are being complied with in the installation, operation and maintenance of Customer-provided equipment and in the wiring of the connection of Customer channels to Company-owned facilities.
- (B) If the protective requirements in connection with Customer-provided equipment are not being complied with, the Company may take such action as necessary to protect its facilities and personnel and will notify the Customer by registered mail in writing of the need for protective action. In the event that the customer fails to advise the Company within 10 days after such notice is received or within the time specified in the notice that corrective action has been taken, the Company may take whatever additional action is deemed necessary, including the suspension of service, to protect its facilities and personnel from harm. The Company will upon request 24 hours in advance provide Customer with a statement of parameters that the Customer's equipment must meet.

2.6 Payment Arrangements

2.6.1 Payment for Service

- (A) The Customer is responsible for payment of telecommunication services furnished by the Company. If applicable, federal, state and local taxes may be added to the bill submitted to the Customer by the Company. The Customer will be billed directly by the LEC for certain Dedicated Access arrangements selected by the Customer for the provisioning of direct access arrangements.
- (B) Bills are due and payable by the 7th of each month. The Customer's net bill becomes delinquent 21 days from rendition. The Company will provide the Customer written notice of delinquency five (5) days after the bill becomes delinquent. Interest at the lesser of (1) the rate of one and one-half percent (1.5%) per month or (2) the highest rate allowed by law per month shall accrue upon any delinquent balance.
- (C) The Customer will be assessed a charge of twenty-five dollars (\$25.00) for each check submitted by the Customer to the Company which a financial institution refuses to honor for insufficient funds or non-existent account.
- (D) Customers are responsible for any charges for Company services they have used (but were not billed) up to three months immediately preceding the date of the bill, except for collect calls, credit card calls, third party calls and "Error File" calls (those which cannot be billed due to the unavailability of complete billing information to the company) which shall have a six-month back billing period. In case of fraud, a back billing period of no more than three years will apply.

2.6.2 Discontinuance of Service for Cause

Upon non-payment of any sum owing to the Company for more than 30 days beyond the date or rendition of the bill for service or upon violation of any of the terms or conditions governing the furnishing of service under this tariff, the Company may, after five days advance notice in writing to the Customer, without incurring any liability, discontinue the furnishing of service under this tariff.

3.1.1(c) Operator Service

- (1) Carrier will not knowingly bill for incomplete calls and will remove any charge(s) for incomplete calls upon subscriber notification or carrier's knowledge of the charge(s) for incomplete calls.
- (2) Carrier will advise the caller and billed party (if different from the end user) that Univance Telecommunications is the operator service provider at the time of the initial contact.
- (3) Carrier will provide rate quotes, including all rate components and any additional charges, upon request, at no charge.
- (4) Carrier will allow only tariff charges approved by the commission, or otherwise allowed by law for the provision of operator services, to appear on billings rendered by local exchange companies (LECs) on behalf of carrier and will not collect locations surcharges imposed by traffic aggregators.
- (5) Carrier will arrange for listing of its name on a LEC's billing of carrier's charges, if the LEC has multi-carrier bill listing capability.
- (6) Carrier will employ reasonable calling card verification procedures which are acceptable to the companies issuing the calling cards. In order to control fraud, the Company may refuse to accept calling cards which it determines to be invalid or cards which it is unable to verify.
- (7) Carrier will direct all "00-" emergency calls to the local exchange carrier (LEC) at no charge.
- (8) Carrier's contracts with traffic aggregators will contain provisions which:
 - (a) Prohibit the blocking of access to an end user's interexchange carrier of choice; and
 - (b) Provide for the prominent posting or display, on or near the telephones to be utilized by end users, or material setting forth the name of the carrier, complaint procedures, instructions on reaching the LEC operator as well as other interexchange carriers, and procedures for emergency calls.
