Missouri Public

5. RATES (continued)

REC'D JUN 29 2001

5.2 Direct Dialed Domestic Service

Service Commission

5.2.1 The Company offers Direct Dialed termination in the United states, as defined in Section 4.1 of this tariff. Service is furnished subject to availability of both the telecommunications facilities and the required billing capabilities. Unless specific written authorization from the Company is provided, the Service may not be used to aggregate the long distance communications of multiple end users for resale, or to provision communications services for others.

5.2.2 The Company provides the following Domestic Direct Dialed programs:

A. Option 1.

1. Option 1 is a flat rate pricing plan, with the rate per minute applicable to all rate periods (Peak, Off-Peak,).

2. Option 1 pricing is for intrastate intraLATA and intrastate interLATA customer dialed station to station, sent paid, non-coin Long Distance Message Telecommunication Service, unless otherwise specified in this tariff.

3. Option 1 rates and charges are in addition to all other rates and charges paid by a Customer for all other Services of the local exchange carrier providing local service.

4. Discounts, if applicable, apply only to the actual qualified usage portion of the bill. When the application of the discount results in a fractional charge, the amount will be rounded to the nearest cent.
