TARIFF FORMAT

PAGE NUMBERING - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between sheets already in effect, a decimal is added. For example, a new page added between pages 1 and 2 would be page 1.1.

TABLE OF SYMBOLS

EXPLANATION OF SYMBOLS - When changes are made in any tariff sheet, a revised sheet will be issued canceling the tariff sheet affected. Changes will be identified on the revised page(s) through the use of the following symbols:

- (C) - To signify changed condition or regulation
- (D) - To signify discontinued rate, regulation or condition
- (I) - To signify increase in rates or charges
- (L) - To signify material relocated from or to another part of this tariff with no change in text, rate, rule or condition
- (N) - To signify new material, including a listing, rate, rule or condition
- (R) - To signify a reduction in rate and charges
- (T) - To signify a change in the wording of text, but no change in the rate, rule or condition
- (X) - To signify a correction or reissued matter

with options to fast-forward, rewind, and pause the recording. Any number of participants can access the recording simultaneously. Digital Playblack is also available toll-free.

- 20. FRAME RELAY: (N)
A high-speed packet switching technology used to communicate digital data between, among other things, geographically dispersed local area networks.
- 21. COMMITTED INFORMATION RATE ("CIR"): (N)
The committed rate (in bits per second) at which the ingress access interface trunk interfaces, and egress access interface of a frame relay network transfer information to the destination frame relay network transfer information to the destination frame relay end system under normal conditions. The rate is averaged over a minimum time interval Tc.
- 22. PERMANENT VIRTUAL CIRCUIT ("PVC") : (N)
A frame relay logical link whose endpoints and class of service are defined by network management. Analogous to an X.25 permanent virtual circuit, a PVC consists of the originating frame relay network element address, originating data link control identifier, terminating frame relay network element address, and termination data link control identifier. Originating refers to the access interface from which the PVC is initiated. Terminating refers to the access interface at which the PVC stops.

RULES AND REGULATIONS

RECD OCT 16 1998

A. APPLICATION OF TARIFF

This tariff sets forth the rates and rules applicable to the Long Distance Resale Service provided by Company in the State of Missouri. Long Distance Resale Service is a telecommunication service for hire that includes providing both interstate and intrastate long distance service to Subscribers through the resale of WATS and MTS-like service. Services will be furnished in accordance with these tariff schedules. Services are provided, as more fully described herein, by Company to customers located in areas served by Company.

The rates and rules contained herein are subject to change pursuant to the statutes, rules and regulations of the State of Missouri.

B. AVAILABILITY OF SERVICE

Company offers Long Distance Resale Service to any person, firm, (C) corporation or other entity in its service area who desires to become a Customer. No deposit is required.

C. LIMITATIONS ON SERVICE

1. Services are offered subject to the availability of the necessary facilities and subject to the terms and conditions of this tariff.
2. Company reserves the right to discontinue service or cancel an application for service without liability upon written notice when necessitated by conditions beyond its control, and in accordance with Section F of this Tariff.

RULES AND REGULATIONS

MISSOURI
Public Service Commission

A. APPLICATION OF TARIFF

This tariff sets forth the rates and rules applicable to the Long Distance Resale Service provided by Company in the State of Missouri. Long Distance Resale Service is a telecommunication service for hire that includes providing both interstate and intrastate long distance service to Subscribers through the resale of WATS and MTS-like service. Services will be furnished in accordance with these tariff schedules. Services are provided, as more fully described herein, by Company to customers located in areas served by Company.

The rates and rules contained herein are subject to change pursuant to the statutes, rules and regulations of the State of Missouri.

B. AVAILABILITY OF SERVICE

Company offers Long Distance Resale Service to any business in its service area who desires to become a Customer. No deposit is required.

CANCELLED

OCT 07 1998

By Ist RS #8

Public Service Commission
MISSOURI

C. LIMITATIONS ON SERVICE

1. Services are offered subject to the availability of the necessary facilities and subject to the terms and conditions of this tariff.
2. Company reserves the right to discontinue service or cancel an application for service without liability upon written notice when necessitated by conditions beyond its control, and in accordance with Section F of this Tariff.

RULES AND REGULATIONS (cont.)

REC'D AUG 27 1998

C. LIMITATIONS ON SERVICE (cont.)

- 3. Service may not be used for any unlawful purpose.
- 4. There is no limit on the number of calls placed or the length of individual calls.

D. RENDERING AND PAYMENT OF BILLS

- 1. Bills for service will be rendered monthly to each customer. Payment will be due within 21 days following the rendering of the bill. If payment is not received within 21 days of the rendering of a bill, then a late payment charge of one and one-quarter percent per month will be applied to the outstanding balance until payment.
- 2. Customer is responsible for the payment of bills for all calls or services, including any calls or services:
 - a. Originated at the Customer's number(s),
 - b. Accepted at the Customer's number(s) (e.g., Collect Calls),
 - c. Billed to the Customer's number via Third Number Billing if the Customer is found to be responsible for such call or service,
 - d. Billed to the Customer's number via the use of a Calling Card or the use of a special billing number, or
 - e. Incurred at the request of the Customer.

REC'D AUG 27 1998

E. LIMITATION OF LIABILITY

1. Company shall not be liable for loss or damage sustained by reason of failure in or breakdown of facilities of third parties not under its control. In no event shall Company's liability for any failure, breakdown, or interruption in services exceed the charges applicable under this tariff for such service.

2. Company shall not be liable and shall be indemnified and saved harmless by any customer, end user, or other entity from all loss, claims, demands, suits, or other action or any liability whatever, whether suffered, made, instituted, or asserted by any customer, end user, or other entity for any personal injury to, or death of, any person or persons, and for any loss, damage, defacement or destruction of the premises of any customer, end user or any other entity or any other property whether owned or controlled by the customer, end user, or others, caused or claimed to have been caused, directly or indirectly, by any act or omission of the customer, end user, or others or by any installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of facilities or equipment provided by Company which is not the direct result of Company's negligence. No agents or employees of any other entity shall be deemed to be the agents or employees of Company.

3. Company shall not be liable for any failure of performance due to causes beyond its control, including, without being limited to, acts of God, fires, lightning, floods or other catastrophes, national emergencies, insurrections, riots or wars, strikes, lockouts, work stoppage or other labor difficulties, any failure of local exchange company lines or delays caused by the local exchange company or the customer or end-user, and any law, order, regulation or other action of any governing authority or agency thereof.

- 4. The Customer is required to notify Company of any changes to Customer's equipment, including software controlling the equipment's function. Company is not liable for interruptions in service caused by Customer's failure to notify Company prior to any change.

F. CANCELLATION OF SERVICE

- 1. In the event of non-payment of any undisputed sum past due, the impersonation of another with fraudulent intent, or any other violation of the Telecommunications Act of 1996, Pub. L. No. 104-104, 110 Stat. 56 (1996)(to be codified at 47 U.S.C. §§ 151 *et seq.*) and the Communications Act of 1934, as amended, or of the Rules and Regulations of the Federal Communications Commission or this state, Company may either temporarily deny service or terminate service.
- 2. Denial of Service. Company may discontinue service immediately after issuing notice for any of the following reasons:
 - a. Unauthorized Use of Service. Customer's unauthorized use of service by any method which causes hazardous signals over the network.
 - b. Illegal Use of Service. Customer's use of service in a manner to violate the law.

- (ii) Usage of the following services will count toward the annual usage: INFOSTAR® LD+, ULTRASTAR LD+, INFOSTAR® 800, ULTRASTAR 800 Dedicated, and INFOSTAR® Calling Card based on customer election of the Platinum Discount Plan for each particular service.

- (iii) To be eligible, the customer must sign up as a Platinum Discount Plan member. Customer agrees that damages to Company in the event services are terminated for any reason prior to the end of the then current annual term shall be difficult if not impossible to ascertain. Customer, therefore, agrees to pay Company all charges incurred prior to termination and an early termination charge based on the difference between the Annual Usage Commitment and Customer's actual usage.
