.16 Sprint IONSM (Integrated On-demand Network) Business Service Option B**MISSOURI
Public Service Commission
(N)****.1 Description of Service**

Sprint ION (Integrated On-demand Network) Business Service Option B is a single, intelligent, cell-based communications network platform that can provide integrated, domestic Sprint ION voice calling services, data services and video network services. Customers may subscribe to one of two options: Option B1 or Option B2. Sprint ION provides access to operator services, directory assistance services, international voice, toll free calling, 911 service where provided by a local authority, dual party relay service where available, and problem reporting seven days a week. Sprint ION is also provisioned with additional services, such as calling cards and Custom Calling Features ("CCF"). Toll free calling is included in Option B2 block of minutes; it is not included in the Option B1 threshold. The Sprint ION platform can deliver tone dialing with additional services available in conjunction with Sprint IONSM, such as directory listing. This product is designed to serve the needs of business Customers and is offered on a per line basis.

.2 Sprint IONSM Business Service Option B2

REC'D JUL 25 2001

.1 Description of Service

Service Commission

Sprint IONSM Business Service Option B2 is available in blocks of anytime minutes which includes domestic long distance and toll free voice service. Customers may subscribe to Sprint IONSM Business Service Option B2 for a one-year or a two-year term and may select a 2-, 3- or 4-line offer. The plan offers different domestic long distance and toll free voice minute bundles above which a per minute charge will apply. Outbound domestic calls which are terminated at Sprint-IONsm sites will not contribute towards the threshold.

For the Sprint IONSM Option B2 MRC, the Customer will receive domestic outbound voice calling from the Customer's Sprint IONSM site/sites and inbound toll free calling received at the Customer's Sprint IONSM site/sites up to the chosen minute bundle amount. The Customer will also receive a set of calling features/service options. All other services, including international service, operator service, directory assistance and FONCARD, are not included as part of the Sprint IONSM MRC.

The Company is obligated to supply the E-911 service provider in the Company's service area with accurate information necessary to update the E-911 database at the time the Company submits Customer orders to the local exchange telecommunications company whose services are being resold pursuant to this tariff.

At such time that the Company provides basic local service to a Customer by means of the Company's own cable pair, or over any other exclusively owned facility, the Company will make the necessary equipment or facility additions in the E-911 service provider's equipment in order to accurately and properly update the database for E-911.

The Company will provide facilities to route calls from the end users to the proper Public Safety Answering Point. The Company recognizes the authority of the E-911 Customer to establish service specifications and grant final approval or denial of service configurations offered by the Company.

The Company will collect E-911 surcharges and remit all surcharge revenue to the appropriate governmental entity pursuant to RSMo 190.310.

For product offerings contained in this tariff that combine multiple services together in one monthly charge, applicable 911 Service surcharges will be applied pursuant to 190.305RSMo. Relative to Sprint ION Monthly Service, 911 Service surcharges will be applied to each activated local access line equivalent. (T)

7. PROMOTIONAL OFFERINGS

The Company may, from time to time, engage in special promotional service offerings designed to attract new Customers or to increase existing Customers awareness of a particular tariff offering. These offerings may be limited to certain dates, times and/or locations. For a period of one year following the effective date of this tariff, Sprint, may, upon Commission approval, offer specific incentives during specified promotional periods. The Company will provide written notice to the Commission 10 days prior to the commencement of a promotional period, specifying the terms of the promotion, the specific service offered, and the location and dates of the promotional period. The written notice will be filed in the Promotional Offering Section of Sprint's Missouri P.S.C. Local Exchange Tariff No.1. This promotion methodology will be offered on a one-year trail basis.

Public Service Commission**

New customers who sign-up for Residential Sprint ION Service and subscribe to this promotion will be eligible to receive \$50 off of the Installation of Service non-recurring charge. The waiver will be given to the customer in the form of a credit on the customer's first full invoice following service sign-up and enrollment in this promotion. If a customer cancels Sprint service before the credit is applied to the customer's first full invoice, no promotional benefit will be given to the customer on their final invoice. Instead, the base tariffed rates of the customer's underlying service will apply. This promotion is not available with any other Residential Sprint ION promotion. This promotion shall remain in effect through December 31, 2000, unless sooner changed or canceled by Sprint.

Residential ION Number Portability Promotion

Residential ION customers as of October 28, 2000, will receive a forty dollar a month adjustment towards their monthly recurring charge. This adjustment will continue until the customer has successfully ported their existing LEC number to the ION service or until December 31, 2000, whichever occurs first. New residential ION customers wanting to port their existing LEC number to the ION service will not receive the monthly adjustment.

New customers who sign-up for Residential Sprint ION Service and subscribe to this promotion will be eligible to receive \$50 off of the Installation of Service non-recurring charge. The waiver will be given to the customer in the form of a credit on the customer's first full invoice following service sign-up and enrollment in this promotion. If a customer cancels Sprint service before the credit is applied to the customer's first full invoice, no promotional benefit will be given to the customer on their final invoice. Instead, the base tariffed rates of the customer's underlying service will apply. This promotion is not available with any other Residential Sprint ION promotion. This promotion shall remain in effect through December 31, 2000, unless sooner changed or canceled by Sprint.
