RE: Water Utility Small Company Rate Increase Request  
MO File Nos. WR-2016-0109 and SR-2016-0110

Dear Secretary:

Enclosed for filing with the Commission Are an original and three copies of revised tariffs that include rate and language changes reflected in an Agreement Regarding Disposition of Small Company Rate Increase Request (Disposition Agreement) between Roy-L Utilities, Inc. (Company) and the Commission Staff (Staff) regarding the above-referenced small company rate increase requests. The Company submitted the referenced rate increase request on November 9, 2015 under the provisions of the Commission's small company rate increase procedure.

The new tariffs being filed are specifically:

Roy-L Utilities, Inc. (water tariff) PSC MO No. 3 Sheet 4  
Roy-L Utilities, Inc. (sewer tariff) PSC MO No. 4 Sheets 4, 8-10, and 21-22

Since the above-referenced Disposition Agreement is between the Company and the Staff, the enclosed tariffs bear an effective date of July 1, 2016, as is provided for by the small company rate increase procedure.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariffs contain Customer rates that are intended to produce an increase of \$10,858 in the Company's annual water system operating revenues and an increase of \$8,574 in the Company's annual sewer system operating revenues. The revised tariffs also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

Marie Rock  
Manager  
Roy-L Utilities, Inc.
