3.8.4 NFR Components and Rates (cont'd.) (T)

A. NFR Revenue Pricing Plans, (cont'd.) (T)

2. Individual Case Basis (ICB) Arrangement

ICB arrangements will be used to determine prices for High Speed NFR (DS3-based NFR). Customer specific prices will be made available to similarly situated Customers on a non-discriminatory basis. (T)

ICB's will also be used for other NFR in the case of non-standard service periods, to provide additional discounts, and/or stabilization of rates over a contract life. (T)

As part of an ICB arrangement, the Company may offer to stabilize NFR pricing rates over the life of the contract. In such an arrangement, the ICB monthly rate is guaranteed against Company initiated increases and will apply for the entire duration of the ICB contract. (T)

In the event that an increase authorized by a regulatory agency is applied to the ICB price, the Customer may terminate the contract without incurring any termination liability charges.

3. Early Termination Charge

When the Customer discontinues service under a Revenue Pricing Plan prior to the expiration of the commitment term, an Early Termination Charge will be assessed as follows.

If the Revenue Pricing Plan is discontinued prior to the completion of the first year of the contract term, the Customer is liable for 100% of the minimum monthly revenue commitment for the unexpired portion of the first year of the term, plus 50% of the minimum monthly revenue commitment for the remaining portion of the applicable term.

If the Revenue Pricing Plan is discontinued after completion of the first year of the contract term, the Customer is liable for 50% of the minimum monthly commitment for the remaining portion of the applicable term.

Early termination will not apply if the Customer enrolls in a new Revenue Pricing Plan with equal or greater revenue commitment and term commitment than the current plan.

Payment of the total amounts owed by the Customer under this provision is due as a lump sum within thirty (30) days of the date the plan is discontinued.

Customers may discontinue their enrollment in Business Plan E service at any time upon request to the Company. The Customer who discontinues or cancels the Company's service or the local exchange carrier's qualifying services or whose service is refused, canceled or discontinued by the Company under this tariff or by the local exchange carrier shall forfeit eligibility for rates under this plan.

The Customer who forfeits eligibility for this Business Plan E Service and remains presubscribed to the Company's service will default to the plan on the main business account. If there is no other plan on the account or for single line accounts, the Customer will default to Plan C month-to-month Service unless the Customer selects another Optional Business Service.

If the Customer uses this Service for non-eligible purposes, including but not limited to resale, three-way calling, permanent internet connections, or autodialing, the Company may immediately suspend, restrict or cancel the Customer's service without advance notice. The Company may also adjust the charges to Plan C month-to-month Service, described in Section 3.5, as a result of non-business use.

This calling plan is only offered where billing and system capabilities exist.

3.9.4 Rates and Charges

A. Application of Charges

A Monthly Recurring Charge (MRC) is billed each month in advance and applies to each line presubscribed to the Company's Business Unlimited Long Distance Service. The MRC applies in full each month for each line regardless of the amount of qualifying usage. In the case of first and last month partial billing cycles, the MRC will be prorated based on the actual number of days the Customer had the service during the billing cycle.

(T)

Only charges for direct dialed outgoing voice minutes of use are covered under the MRC for this plan. All other charges for usage and services, including but not limited to International calling, Directory Assistance services, Operator Assisted services, collect or person to person calls, 900, 700, 976 calls, calls to access information service, internet usage, fees and surcharges are not included as part of the MRC with this plan and will be charged separately.

Discounted rates as described below apply to Travel Card and Toll Free usage. Such usage is charged separately and is not part of the unlimited usage provided under this plan. For Toll Free and Travel Card calls, partial increments are rounded up to the next increment. All calls are rated at 60 seconds for the initial increment, and 6 seconds for each additional increment.

A Monthly Recurring Charge (MRC) is billed each month in advance and applies to the whole account presubscribed to the Company's Business Plan F Service. A fixed allotment of qualified calling minutes is included in the MRC as specified below. The MRC applies in full each month regardless of whether or not the full allotment of minutes is used, except in the case of partial billing cycles. In the case of first and last month partial billing cycles, the MRC will be prorated based on the actual number of days the Customer had the service during the billing cycle.

Only charges for direct dialed outgoing voice minutes of use are covered under the MRC for this plan. All other charges for usage and services, including but not limited to, International calling, Directory Assistance services, Operator Assisted services, collect or person to person calls, 900, 700, 976 calls, calls to access information service, internet usage, fees and surcharges are not included as part of the MRC with this plan and will be charged separately.

Multi-line accounts will share the 400 minutes among all lines presubscribed to Business Plan F Service. Partial increments are rounded up to the next increment. All calls are rated at 60 seconds for the initial increment, and 6 seconds for each additional increment.

3.11 FirmRate Advantage Plan

3.11.4 Rates and Charges

A. Usage Rates

Usage Rates are determined according to the Term Commitment selected by the Customer.

1. Switched Access Outbound Rates

	Month to Month	One Year Term	Three Year Term
Rate Per Minute:	\$0.064	\$0.060	\$0.055

2. Switched Access Inbound (Toll Free) Rates

	Month to Month	One Year Term	Three Year Term
Rate Per Minute:	\$0.064	\$0.060	\$0.055

B. Minimum Spend Level

When the Customer's billing falls below the Minimum Spend Level in any full billing period, a shortfall charge will be applied which is equal to the difference between the Minimum Spend Level (MSL) and the actual contributory billing for that billing period.

Direct dialed calls, Conference Connections audioconferencing usage, operator assisted calls, Travel Card calls, directory assistance calls, Toll Free calls and Monthly Recurring Charges, International Plan Monthly Recurring Charges, free minute promotions, percentage discount promotions and Toll Free MRC waivers will contribute toward meeting the MSL. Only charges of the Company will contribute to the MSL. Taxes, surcharges and charges billed by other carriers on the Customer's bill will not contribute to the MSL.

3.12 FlexDistance Plan

3.12.1. General Description

The FlexDistance Plan is offered to Business Customers for outbound direct dialed calling from presubscribed switched Access Lines at one flat per minute rate, regardless of distance. A Monthly Usage Guarantee (MUG) applies to the monthly billing. The FlexDistance Customer may choose to commit to a higher spend level in exchange for a lower per minute usage rate. Inbound (toll free) calling is also available for termination on switched Access Lines. Travel Card calling is also available under this plan at plan rates. Customers may select a one or three year term commitment in order to obtain lower rates.

This plan is an add-on service to the interstate FlexDistance Plan. See www.verizonldregulatory.com.

D. Termination Liability

When the Customer terminates service under this plan prior to the expiration of the Customer's selected term commitment, a termination charge will be assessed. The termination charge is calculated by multiplying 35 percent (35%) of the Customer's Monthly Usage Guarantee multiplied times the number of months remaining in the term.

Early termination charge will apply in all instances where the Flex Plan is terminated by the Customer, including:

- When the Customer disconnects its entire account;
- When the Customer selects a shorter term; or
- When the Customer negotiates a reduction in their monthly spending commitment more than one level during a billing cycle.

Early termination charge will not apply under the following circumstances:

- When the Customer's physical location changes, but the term plan is continued at the new location;
- When the Customer negotiates the term plan for a longer term;
- When the Customer moves to a jurisdiction where the Company is prohibited from offering service;
- When the Customer changes plan prior to 60 days of service;
- When the Customer returns to the Company as a result of a Winback program;
- When the Customer reduces their term monthly spend level one level during a billing cycle; or
- When the Customer moves from a one or three year term on Flex Distance Service to Unlimited Long Distance Service.

At the expiration of the term commitment, the Customer will continue at the same commitment and usage rate unless they notify the Company of a change to a different term commitment/minimum usage guarantee or to a different plan. If the Customer continues without notifying the Company of any changes, the Customer will remain liable for the MUG to which they were originally subscribed.

SECTION 4 -MISCELLANEOUS SERVICES, (Cont'd.)

4.4 Operator Services

Operator Services allow Customers and Consumers to place calls using operator assistance for call completion or billing.

Usage charges and an appropriate service charge will be assessed on a per call basis, as stated in this tariff. For calls made using a Travel and/or Calling Card, acceptance of the card will be dependent upon the Company's ability to verify the card as valid. Only those cards accepted by the Company may be used to bill the Company's services. The Company reserves the right to verify acceptance of charges prior to billing to a third party number.

- 4.4.1** Operator Services may be used by a Customer and by an Aggregator and their respective Consumers (i.e., patrons, guests, invitees or employees) to complete Operator Station, Person-to-Person, Collect, Third-Party, Calling Card, and/or Travel Card calls.
- 4.4.2** Charges for Operator Assisted Calls include two components: a usage-sensitive component and a fixed per-call service charge based upon the type of operator service provided.
- 4.4.3** The usage-sensitive portion of the charge for an Operator Assisted Call is set forth in Section 4.4.17 below.
- 4.4.4** The fixed per-call service charge portions of the charge for an Operator Assisted Call is set forth in Sections 4.4.16 below.

Issued: July 6, 2000

Effective: August 6, 2000

SECTION 4 -MISCELLANEOUS SERVICES, (Cont'd.)

4.4 Operator Services, (cont'd.)

- 4.4.5** Company will not bill for incomplete calls where answer supervision is available. Company will not bill for incomplete calls and will remove any charges for incomplete calls upon (i) subscriber notification or (ii) Company's knowledge.
- 4.4.6** The caller and billed party, if difference from the caller, will be advised that Company is the operator service provider at the time of the initial contact.
- 4.4.7** Rate quotes will be given upon request, at no charge, including all rate components and any additional charges.

SECTION 5 - PRIVATE LINE AND DATA SERVICES

5.1 National Private Line (PL) Services

The Company's National Private Line Services are provided as a family of bandwidth and data services which link Customers' locations and provide voice, data, video and other transmissions. These services are provided between two Customer designated premises, between a designated Customer premises and a Point of Presence (POP), or between POP's provided by the Company. This service is offered only for interexchange service.

5.1.1 Services

A. DS0 Services:

DS0 Service is a high quality digital bandwidth service with transmission capabilities of up to 64 kbps. A DS0 channel provides the transmission of low-to-medium speed analog and digital channels.

DS0 Service includes Digital Data Service (56 kbps to 64 kbps), Analog Data Service (19.2 kbps), and Analog Voice Service (64 kbps for voice communications).

B. Fractional DS1/T1 Service (FDS1)

FDS1 is a high quality digital bandwidth service that provides medium to high speed transmission. This Service supports contiguous bit rate services for simultaneous, two-way, digital transmission of voice, data, video, and image, and is available at the following contiguous bit rates:

- 128 kbps
- 256 kbps
- 384 kbps
- 512 kbps
- 768 kbps

Issued: July 6, 2000

Effective: August 6, 2000

SECTION 5 - PRIVATE LINE AND DATA SERVICES, (Cont'd.)

5.1 National Private Line (PL) Services, (cont'd.)

5.1.1 Services, (cont'd.)

C. DS1/T1 Service

DS1/T1 service is a high quality digital bandwidth service that provides high speed 1.544 Mbps transmission.

D. DS3/T3 Service

DS3/T3 Service is a high quality digital bandwidth service that provides high speed 44.736 Mbps transmission over fiber optic facilities.

5.1.2 Regulations

A. Service Guarantee

The Company provides Service Guarantees for PL Service. If service is not restored within specified time frames, the Company will issue a credit for the PL Service circuit interruption.

1. Performance Objective

The performance objective for PL Services from Customer's premises to Customer's premises is 99.96% circuit availability.

Issued: July 6, 2000

Effective: August 6, 2000

SECTION 5 - PRIVATE LINE AND DATA SERVICES, (Cont'd.)

5.1 National Private Line (PL) Services, (cont'd.)

5.1.2 Regulations, (cont'd.)

A. Service Guarantee, (cont'd.)

2. Credit Allowances

If a particular service is interrupted beyond a specified time, an appropriate credit will be provided as set forth below.

For an interruption of four hours or more for each calendar day for a particular service, and if requested by the customer, the Company shall provide the customer with one (1) days credit for the particular service circuit recurring rates.

The credit shall be based on a pro-ration of the number of out of service days to the number of days in the month. As an example, six out of service days/thirty (30) days in a month is equal to a 20% rebate of the monthly charges.

B. Term Commitment Plans

The minimum service period for PL Services is one year. A subscriber to PL Services must select a Term Commitment Plan period ranging from one year to three years.

(D)

ICB's will be used for PL Services in the case of non-standard service periods, volume discounts and/or stabilization of rates over a contract life.

(T)

ICB rates will be structured to recover the costs of providing the service. Terms of specific ICB contracts will be made available to the Mo. PSC upon request on a proprietary basis.

D. Termination Liability

If the Customer terminates service in whole or in part after the installation of the service but prior to completion of the service period of a Term Commitment Plan or an ICB, the Customer shall be obligated to pay the remaining payments, i.e., the monthly charge times the remaining months of the service period selected, in a lump sum due upon termination of service.
