Subject: Rebuttal please file for me Dora Middleton

Hello my name is Dora Middleton and this is my rebuttal regarding Ameren I feel that my stay shouldn't be lifted off of any of the amounts due that Ameren claims is owed because it isn't my bill and I need the chance to prove that the bill isn't mine. It wouldn't be fair to me if the stay is lifted off of any portion of the said bill because I should have the chance to prove that the said amounts doesn't belong to me. I need time to continue gathering my evidence to prove that the said bill amounts doesn't belong to me it's taking longer for me because I have to gather up everything Ameren is a huge company that has access to attorneys and other means that I don't Ameren isn't allowing me to prove my case they are asking to remove the stay off of my account without allowing me prove that the owed amounts isn't mine and that isn't right. I am gathering everything I need and asking you the judge to grant me the stay over the entire owed amounts so that I can prove that the amounts doesn't belong to me. Ameren is a big corporation that is trying to take away my right to have continued service in my home because of bill amounts that doesn't belong to me and they don't want to give me the chance to gather all of my information Ameren shouldn't be allowed to lift the stay off of my account for any amount. My account is being paid every month and is ahead with a 200.00 credit on my account so I am continuing to pay my monthly bill. I just want and need the time to gather up my evidence but I need the stay to continue on my account as is.
