## **ORDER DIRECTING STAFF TO FILE A RECOMMENDATION**

Issue Date: November 17, 2006

Effective Date: November 17, 2006

On October 10, 2006, Globetel, Inc. applied to the Missouri Public Service Commission for a certificate of service authority to provide basic local and local exchange telecommunications services on a facilities basis, throughout all exchanges currently served by Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri. The Commission established November 1, 2006 as the deadline for submission of requests to intervene. No one has asked to intervene.

Since there has been no request to intervene, the Commission is waiting for its Staff to file a recommendation before acting on the application. So that it may be made aware of the progress in this case, and because the effective date of the tariff accompanying Globetel's application is November 24, 2006 (the day after Thanksgiving Day), which is only a week from the date of this order, the Commission will direct its Staff to promptly file a recommendation. If Globetel acts to extend the effective date of its tariff before Staff's recommendation is due, Staff will not need to comply with this order.

**IT IS ORDERED THAT:**

1. The Staff of the Commission shall, by no later than 3:00 p.m. on Monday, November 20, 2006, file its recommendation regarding the application of Globetel, Inc.
2. This order shall become effective on November 17, 2006.
