1. Brightergy is a limited liability company organized under the laws of the State of Missouri with its principal place of business at 1712 Main Street, 6th Floor, Kansas City, MO, 64108.
2. The Commission issued its *Order Directing Notice, Setting Intervention Deadline, and Directing Filing of Staff Recommendation* in this docket on April 28, 2016, in which it set May 20, 2016 as the deadline for intervention in this docket.
3. The issues raised by Union Electric Company d/b/a Ameren Missouri (“Ameren” or the “Company”) impact policies related to solar project development and renewable policy in the State of Missouri.
4. As a major provider of solar generation services in the Company’s service territory, Brightergy has an interest in the Company’s proposals in this docket different from that of the general public.
5. Brightergy’s unique set of expertise will provide a perspective to the Commission’s decision making that would otherwise be lacking, and it is therefore in the public’s interest to allow Brightergy to intervene.

7. Brightergy does not yet have a position on the issues in this case and reserves the right to take positions on specific issues as this case proceeds.
