STAFF’S AMENDED REQUEST FOR COMMISSION ORDER

COMES NOW the Staff of the Missouri Public Service Commission and for its Request states:

1. On March 4, 2015, the Commission opened this matter this matter “to review and consider the physical and cyber security practices of all Missouri utilities.”
2. On March 23, the Staff and interested persons participated in a workshop to discuss issues related to cybersecurity and physical infrastructure security as they affect all Missouri utilities. At that workshop, a consensus was reached that a set of questions should be sent to all utilities, asking about those matters. Included as “Attachment A” is the list of questions the Staff has developed. Attached as “B” and “C,” are lists of companies the Staff requests be required to respond. In addition, the Staff requests that the questions be posed to all of the incumbent local exchange telecommunications companies (“ILECs”).
3. The Staff requests that the Commission issue an Order requiring those listed companies and ILECs to file a response in this docket to the question set forth in Attachment A on or before August 21, 2015. The Staff asks that the companies file responses in this matter without being required to copy their comments to other listed participants in this matter. Finally, the Staff requests that the Commission electronically disseminate the Order as widely as possible to all the entities on its weekly email distribution list.

WHEREFORE, the Staff submits its Request for Commission Order.

Respectfully submitted,

Colleen M. Dale
