Re: Teligent Services, Inc.
Case No. TA-2000-578

Dear Mr. Roberts:

After the filing of the Unanimous Stipulation in this case on October 4, 2000, it was brought to my attention that the first paragraph of the first page of the stipulation needed a correction. In its application, the Applicant had requested authority in the exchanges of Southwestern Bell Telephone Company, (SWBT) GTE of the Midwest and Sprint. The first page of the stipulation, in error, recites that the authority is limited to SWBT and GTE exchanges.

Under cover of this letter you will find the original and eight copies of a corrected first page for the Unanimous Stipulation and Agreement in this matter, and I would ask that one of your staff kindly substitute this for its counterpart in the Stipulation already on file.

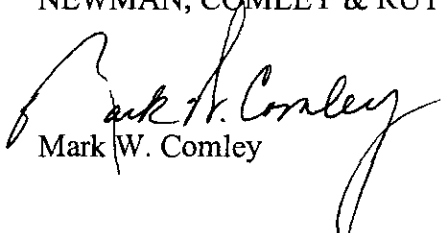

Counsel for SWBT and Staff were contacted about this procedure and had no objection. I hope this will suffice to correct the situation.

Should you have any questions, please do not hesitate to contact me. Thank you very much.

Very truly yours,

NEWMAN, COMLEY & RUTH P.C.
