Re: Case No. ER-2007-0002

Dear Ms. Dale:

AmerenUE's Reply to the State of Missouri's Response in Opposition to Union Electric Company's Motion for Any Necessary Leave to File Additional Testimony, for Any Necessary Waivers, and to Deny Pending Motions filed on October 9, 2006 (the Company's Reply) contains a factual error in the fourth full sentence in paragraph 3. In that sentence, the Reply provides that the State had argued that a pleading filed by the Company on August 8 was an improper late amendment. That argument was instead previously made by the Office of the Public Counsel.

When drafting the Company's Reply, the undersigned counsel inadvertently recalled the subject argument had been made by the State and noted such in the Company's Reply. Counsel for the State brought this to the undersigned counsel's attention and, as a result, the error is being corrected herein.

Please bring this correction to the attention of the Commissioners. Thank you.

Sincerely,

**/s/ James B. Lowery**
