File No. DA-2016-0353

NOTICE OF DEFICIENCY

Issue Date: June 24, 2016

On June 22, 2016, Voyzze Communications Inc., filed an application for registration to provide interconnected voice over internet protocol service. Pursuant to 4 CSR 240-2.080(2), pleadings filed with the Commission must be signed by at least one attorney of record authorized to practice law in Missouri. The application is not signed by a Missouri attorney, and does not contain a completed certificate of service.

In addition, Voyzze's application was not complete in that the affidavit attached to the application listed the counties of the areas it wishes to provide service, but failed to provide the exchange of the local exchange company in which the company proposes to provide VoIP service, as required by Section 392.550.3(2), RSMo (Cumm. Supp. 2013).

The Commission will not take action on this application until this deficiency is corrected. The Commission will leave the file open until July 6, 2016, to allow

Voyzze to correct the deficiency. If no response is filed by that time, the Commission will reject the application and close the file.
