

request for mediation, the 30-day time period shall be tolled while the Commission ascertains whether or not the Complainants are also willing to submit to voluntary mediation. If Complainants agree to mediation, the time period within which an answer is due shall be suspended pending the resolution of the mediation process. Additional information regarding the mediation process is enclosed. If Complainants decline the opportunity to seek mediation, Respondent will be notified in writing that the tolling has ceased and will also be notified of the date by which an answer or notice of satisfaction must be filed. That period will usually be the remainder of the original 30-day period.

As required by Section 536.067(2)(f), RSMo 2000, the Commission informs the parties that the Commission's provisions governing procedures before the Commission, including provisions relating to discovery, are found at Commission Rule 4 CSR 240-2.090. Because the Complainants are not a regulated utility, the 60-day notice requirement established by Commission Rule 4 CSR 240-4.020(2) does not apply.

The Commission will also set a deadline for its Staff to complete an investigation and file a report.
