In the Matter of Noranda Aluminum, Inc.'s Request for Revisions to Union Electric Company d/b/a Ameren Missouri's Large Transmission Service Tariff to Decrease its Rate for Electric Service

Case No. EC-2014-0224

MOTION TO MODIFY PROCEDURAL SCHEDULE

COME NOW Complainants, and for their Motion to Modify Procedural Schedule, state as follows:

1. On April 23, 2014, the Commission issued its Order Modifying Procedural Schedule scheduling the evidentiary hearing in this case for June 16 and June 17, 2014.

2. Counsel for Complainants is scheduled to appear in a week-long arbitration trial pending before JAMS in San Francisco from June 16 through June 20, 2014 in the matter *In re: Solaicx Earnout*, JAMS Reference No. 1100074132. The arbitration date was set on February 18, 2014. The scheduling of the arbitration was the source of disagreement among the various counsel in that matter, and it is highly unlikely that there will be any rescheduling or continuance of that trial.

3. Due to this conflict, Complainants respectfully request that the Commission modify the procedural schedule in this case to move the evidentiary hearing to June 10 and June 11, 2014. In the alternative, Complainants request that the evidentiary hearing be moved to June 9 and June 10, 2014.

3. Complainants appreciate the challenges faced by the Commission in setting the schedule for this case, and the time and thought that has gone into the Commission's deliberations regarding this schedule. However, the Complainants make this request in the event the Commission finds that the hearing can be rescheduled

without undue inconvenience to the Commission. Complainants' counsel has worked extensively on this case over the past five months, including preparation of testimony and key witnesses. Complainants' counsel has also represented Noranda's witnesses in other Commission cases since 2009, and his knowledge of the issues is of great value to Complainants in this case. Complainants' respectfully submit that the legally required appearance of their longstanding counsel at a previously scheduled arbitration trial constitutes good cause for the Commission to consider their proposed modification of the hearing dates.

4. In the event the Commission finds good cause for Complainants' proposed change in the evidentiary hearing dates, Complainants respectfully request that the anticipated decision date in this case currently scheduled for August 6, 2014 be moved to July 30, 2014.

WHEREFORE, based on the foregoing, Complainants respectfully request that the Commission grant their motion to modify procedural schedule.

Respectfully submitted,

BRYAN CAVE LLP
