Re: *In the Matter of the application of The Raytown Water company for an
Order Authorizing Issuance of Water Facilities Refunding and
Improvement Bonds Series 2012
Case No. WF-1012-0413*

Dear Mr. Thompson:

The Order Granting Application issued on September 4, 2012 regarding the referenced application was contingent on certain documents being provided to the Commission. We have only just received a copy of the final documents, so are transmitting the following copies to you per the Order:

1. Loan Agreement dated July 1, 1999 and renewed for the current Application;
2. Promissory Note dated February 13, 2013;
3. Indenture of Trust dated July 1, 1999 and renewed for the current Application;
4. Bond Purchase Agreement dated February 13, 2013; and
5. Specimen Bond.

Although the staff also requested a copy of the security agreement, there was no such component to this transaction.

Please advise if there is any additional documentation needed by the Commission.

Sincerely,

THE BLAUVELT LAW FIRM, LLC
