Montgomery 345 kV Transmission Line)

Objections of the Missouri Landowners Alliance to
Certain Evidence Submitted by Mr. Alan Spell

The Missouri Landowners Alliance objects to the following pre-filed testimony
and Schedules of Mr. Alan Spell:

1. Schedule AES-2 to the rebuttal testimony of Mr. Spell (the document compiled
by Dr. Loomis), on the ground that this document is inadmissible under the terms of
Section 536.070(11) RSMo, as discussed more fully in paragraph 7 of the Motion of
Missouri Landowners Alliance to Strike Certain Pre-Filed Evidence on the Basis of
Section 536.070(11) RSMo, filed on March 6, 2017.

2. Mr. Spell's Economic Impact Study, which was submitted as Schedule MOL-7
to Mr. Lawlor's direct testimony, was dependent on inputs from Mr. Spell's Schedule
AES-2, as discussed more fully in the Motion of Missouri Landowners Alliance to Strike
Certain Pre-Filed Evidence on the Basis of Section 536.070(11) RSMo, filed on March 6,
2017. Therefore, the Economic Impact Study is inadmissible¹, as are the following
portions of Mr. Spell's rebuttal testimony which discuss the results of that Study: page 2
line 13 to page 4 line 5; and page 7 lines 7 to 18.

tabbles 386

¹ The objection to Schedule MOL-7 was made in conjunction with the testimony of Mr. Lawlor.
