Subject: RE: Annual Report Deficiency for dishNet Wireline LLC (BMAR-2022-1355)

This email is a continued deficiency notice for your annual report. Your annual report is considered deficient until the following issue(s) are addressed:

- The verification page of the revised report is not complete. If you use the second verification page you can simply use electronic signatures and it doesn't require notarization.

Please resubmit your revised annual report in its entirety if your annual report needs to be revised to correct the deficiency. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) in the subject of this email. This deficiency must be resolved within the next 20 days. Failure to respond and adequately resolve the deficiency by this deadline may result in punitive action against the company.

Subject: Annual Report Deficiency for dishNet Wireline LLC (BMAR-2022-1355)

This email is a continued deficiency notice for your annual report. Your annual report is considered deficient until the following issue(s) are addressed:

- The annual report's identification of the certificate/registrations held by the company fail to match MoPSC records. Our records indicate CLEC and IXC should be selected.

Please resubmit your revised annual report in its entirety if your annual report needs to be revised to correct the deficiency. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) in the subject of this email. This deficiency must be resolved within the next 20 days. Failure to respond and adequately resolve the deficiency by this deadline may result in punitive action against the company.
