RE: McLeodUSA Telecommunications Services, Inc. CLEC and/or IXC
Annual Report to the Missouri Public Service Commission

Dear Sir:

Enclosed please find one (1) original completed version of the McLeodUSA Telecommunications Services, Inc. CLEC and/or IXC Annual Report to the Missouri Public Services Commission to be kept under seal including (1) redacted public version and detailed affidavit as requested.

If you have any questions, please contact me at (319) 790-6704.

Sincerely,

Becki Merkel
Cost Accountant II

Enclosures

McLeodUSA Telecommunications Services, Inc.
Competitive Local Exchange Carrier and/or
Interexchange Telecommunications Carrier Annual Report
To the Missouri Public Service Commission
For the Year Ending December 31, 2004

Redacted Public Version

The redacted information marked as confidential in
Exhibit B has been submitted under seal.

AFFIDAVIT OF GREG CROSBY

State of Iowa

County of Linn

I, Greg Crosby, being duly sworn on oath, do hereby depose and say that I am Group Vice President – Marketing with McLeodUSA Telecommunications Services, Inc. and that the information provided to the Missouri Public Service Commission in response to Item 12 of the CLEC/IXC Annual Report for 2004 is competitively sensitive, and should be maintained by the Commission as confidential and not subject to public disclosure. The information in question lists the number of McLeodUSA business and residential customers by exchange and by platform type. To the best of my knowledge and belief, this information is not publicly available from any other source, with respect to either McLeodUSA or any other carrier. The nature of the information is such that it would provide a competitive benefit to other carriers, and place McLeodUSA at a disadvantage in the marketplace. As a result, this information should be maintained by the Commission as confidential.

Further Affiant sayeth not.

(signature)

Subscribed and sworn to before me this 1st day of March, 2005.

(MoPSC Assessment)

* Missouri Revised Statutes §386.020(53)

(53) "Telecommunications service", the transmission of information by wire, radio, optical cable, electronic impulses, or other similar means. As used in this definition, "information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols. Telecommunications service does not include:

(a) The rent, sale, lease, or exchange for other value received of customer premises equipment except for customer premises equipment owned by a telephone company certificated or otherwise authorized to provide telephone service prior to September 28, 1987, and provided under tariff or in inventory on January 1, 1983, which must be detariffed no later than December 31, 1987, and thereafter the provision of which shall not be a telecommunications service, and except for customer premises equipment owned or provided by a telecommunications company and used for answering 911 or emergency calls;

(b) Answering services and paging services;

(c) The offering of radio communication services and facilities when such services and facilities are provided under a license granted by the Federal Communications Commission under the commercial mobile radio services rules and regulations;

(d) Services provided by a hospital, hotel, motel, or other similar business whose principal service is the provision of temporary lodging through the owning or operating of message switching or billing equipment solely for the purpose of providing at a charge telecommunications services to its temporary patients or guests;

(e) Services provided by a private telecommunications system;

(f) Cable television service;

(g) The installation and maintenance of inside wire within a customer's premises;

(h) Electronic publishing services; or

(i) Services provided pursuant to a broadcast radio or television license issued by the Federal Communications Commission;

for the year ending December 31, 2004

11. Local Exchange Carriers Federal/State Low-Income/Disabled Universal Service Fund Subscribers
