RE: IVoIP Application DA-2013-0012

Ms. Osterhout,

I have tried reaching you by phone with no luck. I will be out of the office tomorrow so I want to go ahead and email you to address your questions.

Yes, it is required to have a Missouri lawyer. Below is the link to our website which provides a list of law offices. In reference to the signature, street address, telephone number, facsimile or email – this is referring to the second page of the application, section 3.  
Also, section (2) of the affidavit is lacking the exchanges in which will be served. Please provide the exchanges. If you plan to provide service to all exchanges, requesting certification in all Missouri telephone exchange areas will satisfy this. You don't need to list every exchange.

Again, I will be out of the office tomorrow but will be happy to answer any additional questions upon my return Thursday.
