Subject: Trinsic Communications, 2005 Annual Report to the Missouri Public Service Commission, Reference No. BMAR-2006-1805

Dear Ms. Kline:

Thank you for submitting the 2005 Annual Report to the Missouri Public Service Commission on behalf of Trinsic Communications - IXC. I have reviewed this report and found the following omission/errors:

1. The response to page 1, question 4 was incorrect. The response should read: **Effective Date 1/13/2005** instead of 3/15/01 and **Case No. LN-2005-0165** instead of TA-99-15. The certification date shall be the effective date of the original certification unless a name change, entity change (corporation to limited liability partnership, etc.) or merger/sale has occurred. In those instances, the effective date of the case order and the case number should be noted in the annual report rather than the original certification effective date and case number. Please note this for future submissions.

The above items(s) are for informational purposes only and **DO(ES) NOT REQUIRE A COMPANY RESPONSE**, however, if you have any questions, please feel free to contact me. You may call me at 314-340-4680 ext. 237 or communicate via e-mail to the address referenced below.

Please reference the following identification number when contacting the Missouri Public Service Commission concerning your report, **BMAR-2006-1805**.
