Janis E. Fischer, CPA
Regulatory Auditor
Missouri Public Service Commission
200 Madison Street, Suite 440
PO Box 360
Jefferson City, MO 65102-0360

Dear Ms. Fischer:

Enclosed are two versions of KMC Telecom V, Inc.'s Missouri Annual Reports to replace the original copy sent on April 27, 2004. One version is stamped "confidential" on the cover page and on page three. The second version is noted as a "public" version and the confidential information on page three is masked.

This letter confirms our discussion of KMC Telecom V, Inc.'s request for the Missouri Public Service Commission to treat entries contained on page three as "confidential" or "HC" information. The data contained on page three is not available to the public in any form or version. Release of this information to the public, particularly KMC Telecom V Inc.'s competitors, could be detrimental to KMC Telecom V Inc.'s business plans and future ability to compete with other carriers in the State of Missouri.

Thank you for your assistance in this matter. Please contact me with any questions at 678-985-6258.

Sincerely,

Randall C. Meacham
Senior Manager Government Affairs

* Missouri Revised Statutes §386.020(53)

(53) "Telecommunications service", the transmission of information by wire, radio, optical cable, electronic impulses, or other similar means. As used in this definition, "information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols. Telecommunications service does not include:

(a) The rent, sale, lease, or exchange for other value received of customer premises equipment except for customer premises equipment owned by a telephone company certificated or otherwise authorized to provide telephone service prior to September 28, 1987, and provided under tariff or in inventory on January 1, 1983, which must be detariffed no later than December 31, 1987, and thereafter the provision of which shall not be a telecommunications service, and except for customer premises equipment owned or provided by a telecommunications company and used for answering 911 or emergency calls;

(b) Answering services and paging services;

(c) The offering of radio communication services and facilities when such services and facilities are provided under a license granted by the Federal Communications Commission under the commercial mobile radio services rules and regulations;

(d) Services provided by a hospital, hotel, motel, or other similar business whose principal service is the provision of temporary lodging through the owning or operating of message switching or billing equipment solely for the purpose of providing at a charge telecommunications services to its temporary patients or guests;

(e) Services provided by a private telecommunications system;

(f) Cable television service;

(g) The installation and maintenance of inside wire within a customer's premises;

(h) Electronic publishing services; or

(i) Services provided pursuant to a broadcast radio or television license issued by the Federal Communications Commission;
