Re: Revised Schedules 2 and 7 to SBC Missouri's  
2001 Annual Report

Dear Judge Roberts:

Enclosed for filing with the Commission are revised Schedules 2 and 7 for SBC Missouri's 2001 Annual Report.

We are making this revision to our 2001 Missouri Annual Report due to an adjustment we recently made in our 2001 FCC ARMIS Report. During 2003, the company observed that the methodology used by SBC Services, Inc., an administrative affiliate of Southwestern Bell Telephone Company, L.P. ("SWBT") to allocate its costs among benefiting affiliates was not applied appropriately. The prior method used resulted in too much costs being billed to SWBT. In addition, it was also discovered that certain costs billed from Pacific Bell Telephone to SBC Services, Inc. for leased assets were not calculated appropriately. This also caused an incorrect amount of shared costs to be billed to SWBT.

Please call me with any questions or if anything further is needed.

Very truly yours,
