Re: 2002 Annual Report Form
WWC License LLC dba. Cellular One Long Distance

Dear Mr. Quinn:

I am writing in response to the notice of Complaint filed by the Staff of the Missouri Public Service Commission against WWC License LLC dba Cellular One Long Distance, a subsidiary of Western Wireless Corporation for failure to submit an Annual Report Form for 2002. Enclosed is the 2002 Annual Report Form for WWC License LLC. WWC License LLC will separately file a response to the Commission responding directly to the Staff's Complaint.

WWC License LLC holds federal licenses to provide Commercial Mobile Radio Service ("CMRS") in Missouri, and also holds State authority to provide Interexchange Carrier ("IXC") service in Missouri. This Annual Report is a report of the IXC services provided in Missouri during 2002 and does not include any information on its CMRS operations. WWC License LLC does not currently have IXC customers in Missouri and does not currently provide IXC service in the state. Specifically, as you can see from the Report, WWC License LLC did not provide IXC service and did not generate any revenue from IXC services during 2002.

Please feel free to contact me directly should you have any questions concerning WWC License LLC or this Report. I can be reached at (425) 586-8432 or via email at Nathan.Glazier@wwireless.com. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nathan Glazier'.

Nathan Glazier
Manager of Regulatory Affairs

91- 1658046

* Missouri Revised Statutes §386.020(53)

(53) "Telecommunications service", the transmission of information by wire, radio, optical cable, electronic impulses, or other similar means. As used in this definition, "information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols. Telecommunications service does not include:

(a) The rent, sale, lease, or exchange for other value received of customer premises equipment except for customer premises equipment owned by a telephone company certificated or otherwise authorized to provide telephone service prior to September 28, 1987, and provided under tariff or in inventory on January 1, 1983, which must be detariffed no later than December 31, 1987, and thereafter the provision of which shall not be a telecommunications service, and except for customer premises equipment owned or provided by a telecommunications company and used for answering 911 or emergency calls;

(b) Answering services and paging services;

(c) The offering of radio communication services and facilities when such services and facilities are provided under a license granted by the Federal Communications Commission under the commercial mobile radio services rules and regulations;

(d) Services provided by a hospital, hotel, motel, or other similar business whose principal service is the provision of temporary lodging through the owning or operating of message switching or billing equipment solely for the purpose of providing at a charge telecommunications services to its temporary patients or guests;

(e) Services provided by a private telecommunications system;

(f) Cable television service;

(g) The installation and maintenance of inside wire within a customer's premises;

(h) Electronic publishing services; or

(i) Services provided pursuant to a broadcast radio or television license issued by the Federal Communications Commission;
