In support of its application, CenturyLink states the following:

I. APPLICANT

CenturyLink further states that the Agreement is consistent with the public interest, convenience and necessity in that it allows for full and fair competition and greater choice for the consumer. IV. REQUEST FOR APPROVAL

CenturyLink seeks the Commission's approval of the Agreement, consistent with the provisions of the Federal Act. CenturyLink and INdigital believe that the implementation of this Agreement complies fully with Section 252(e) of the Federal Act because the Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. The Agreement promotes diversity in providers, provides interconnectivity, and increases customer choices for telecommunications services.
