Karen,

I spoke with your office today regarding Cavalier Telephone and the recent name changes etc. I think everything is in order and I will make some notations on my end so that others looking at the reports can follow along. I did want to note that on the Talk America d/b/a Cavalier Telephone report the correct case number should be the recent name change case TN-2007-0276 and the effective date was 2/22/07. This information was correct on the LDMI portion. This information is just for your records and should be included in future submissions. If you have any questions please contact me.
