III. DESCRIPTION OF THE TRANSACTION AND PUBLIC INTEREST STATEMENT

On April 19, 2014, Cbeyond, Inc., BCI, and Hawks Merger Sub entered into an Agreement and Plan of Merger (the "Agreement"). Pursuant to the Agreement, Hawks Merger Sub will merge with and into Cbeyond, Inc., with Cbeyond, Inc. as the surviving corporation. As a result of the merger, the separate corporate existence of Hawks Merger Sub will cease, and Cbeyond, Inc. will continue its existence as a wholly owned subsidiary of BCI. BCI will directly own 100% of the stock of Cbeyond, Inc. and indirectly own 100% of the membership interests of Cbeyond. The Transaction will result in BCI acquiring ultimate control of Cbeyond. For the Commission's convenience, pre- and post-Transaction corporate organizational structure charts depicting the entities involved in the transfer of control are provided as **Exhibit 1**. Consummation of the Transaction is contingent on, among other things, receipt of all necessary

regulatory approvals. The Parties expect to close the Transaction in late June or early July. The Parties will inform the Commission once the Transaction is consummated.

The proposed Transaction does not involve the assignment of either Cbeyond's or Birch's telecommunications authorizations or its customers. All current Missouri customers of Birch will continue to be served by Birch pursuant to its existing authorizations. All current Missouri customers of Cbeyond will continue to be served by Cbeyond pursuant to its existing authorizations. Customers of Cbeyond will continue to receive their existing services at the same or similar rates, terms and conditions without any immediate changes. The proposed Transaction will be transparent to the customers of Cbeyond. Cbeyond's existing customers will continue to receive service under the "Cbeyond" name as a result of the proposed Transaction, and all billing and correspondence will reflect the "Cbeyond" name. Accordingly, customer notice is not required under Missouri rules or the requirements of Section 64.1120(e) of the Federal Communications Commission's rules because there will be no change in service provider from the customer's perspective.

The proposed Transaction serves the public interest, and will ensure that affected customers enjoy continuity of high-quality telecommunications service. Following consummation of the Transaction, Cbeyond will continue to offer high quality services to Missouri residents, as is supported by its industry knowledge, technical expertise, and financial strength. As a result, the proposed Transaction will be transparent to customers and will not have a negative impact on the public interest, services to Missouri customers, or competition.

If you have any questions concerning this matter, please contact the undersigned.

Respectfully submitted,
