SECRETARY OF STATE  
ADMINISTRATIVE RULES

ORDER OF RULEMAKING

By the authority vested in the Public Service Commission under sections 386.040, 386.250, and 386.310 RSMo 2000, section 392.450 RSMo (Cum. Supp. 2013, and section 392.461, RSMo (Supp. 2014), the commission adopts a rule as follows:

**4 CSR 240-28.020 General Provisions is adopted.**

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on May 1, 2015 (40 MoReg 555). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended June 29, 2015, and the commission held a public hearing on the proposed rule on July 6, 2015. The commission received timely written comments from the Staff of the Commission (Staff); the Missouri Telecommunications Industry Association (MTIA); Southwestern Bell Telephone Company, d/b/a AT&T Missouri (AT&T); CenturyTel of Missouri, LLC d/b/a CenturyLink, Embark Missouri, Inc., d/b/a CenturyLink, Spectra Communications Group, LLC d/b/a CenturyLink, and CenturyTel of Northwest Arkansas, d/b/a CenturyLink (CenturyLink); the Missouri Cable Telecommunications Association (MCTA); Verizon; and Level 3 Communications (Level 3). In addition, the following people offered comments at the hearing: Kenneth A. Schifman, for Sprint Communications Company, LP (Sprint); Leo Bub for AT&T; William D. Steinmeier and Pamela Halleck for Level 3; Stephanie Bell for MCTA; Becky Owenson Kilpatrick for CenturyTel; Richard Telthorst for MTIA; Matthew Feil for Windstream; and Colleen M. Dale and John Van Eschen for Staff.

**COMMENT #1:** Section 28.020(3) requires all phone companies to provide current contact information. It then says that "any company with telecommunications or IVoIP service certification or registration is subject to additional reporting requirements." MCTA asks the commission to clarify that section to make it clear that the "additional reporting requirements" are those

established in 28.040, and not some future additional reporting requirements.

Staff concurs with MCTA's comment.

**RESPONSE AND EXPLANATION OF CHANGE:** The commission agrees with the comment and will make the recommended change.

**COMMENT #2:** Level 3 expresses its support for section 28.020(5), which clearly states that interconnection agreements that are not filed with the Commission are not effective.

**RESPONSE:** The commission thanks Level 3 for its comment.

#### **4 CSR 240-28.020 General Provisions**

(3) All companies receiving certification or registration from the commission shall maintain updated contact information. Any company with telecommunications service certification or registration or VoIP service registration is subject to additional reporting requirements as set forth in 4 CSR 240-28.040.
