Company's Request for Cancellation of a)
Certificate of Service Authority and Associated) **Case No. ED-2006-0024**
Tariff Sheets)

NOTICE CLOSING CASE

On July 19, 2005, The Empire District Electric Company filed an application in the Commission's electronic filing system asking the Commission to cancel its certificate of service authority to provide telecommunications services. This case was opened as a result of that application and was given an "E" designation as an electric case. Although The Empire District is primarily an electric company, this application concerns its authority to provide telecommunications services. As a result, this case should have been given a "T" designation as a telephone case.

To correct this problem, Case No. TD-2006-0026 has been opened to consider The Empire District's application. This case is not needed, and shall be closed.
