OF THE STATE OF MISSOURI**

In the Matter of the Cancellation                     )  
of the iVoIP Registration of                         )  
Blue Ocean Technologies, Inc.                     )

**File No. DD-2019-0098**

**STAFF RESPONSE**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff) and for its *Response* states:

1. On October 2, 2018, Staff filed a *Motion to Cancel Certificate of Service Authority* regarding the request of Blue Ocean Technologies, Inc., to cancel its registration to provide iVoIP services in Missouri. The Commission issued an Order October 4, 2018, directing Staff to file a recommendation in response to its own *Motion* no later than October 24, 2018.

2. In its *Motion* Staff outlined the requirements of Commission rule 4 CSR 240-28.030(10) regarding cancellation of a certification or registration. Staff has reviewed the Company's request and states that Blue Ocean Technologies, Inc. has met each of the Commission rule's requirements. In its original *Motion* Staff erred in recommending that the Commission cancel Blue Ocean Technologies, Inc.'s certificate of service authority. Due to the fact that certificates of service authority are not granted for iVoIP services, Staff now recommends that the Commission cancel the registration of Blue Ocean Technologies, Inc. to provide iVoIP services in Missouri.

**WHEREFORE**, Staff recommends that Blue Ocean Technologies, Inc. has met all of the requirements of 4 CSR 240-28.030(10) and recommends the Commission cancel its registration to provide iVoIP service in Missouri.

Respectfully submitted,

**/s/ Whitney Payne**
