ORDER CONSOLIDATING CASES

Issue Date: April 9, 2013

Effective Date: April 9, 2013

On January 30, 2013, Earth Island Institute d/b/a Renew Missouri and several other organizations filed separate complaints against Kansas City Power & Light Company, KCP&L Greater Missouri Operations Company, Union Electric Company, d/b/a Ameren Missouri and The Empire District Electric Company. On April 8, the parties jointly filed a common procedural schedule for these four complaints along with a request that the cases be consolidated. The complaints against the four electric utilities share similar issues and allegations and it is appropriate to consolidate the cases to avoid duplication of effort and confusion. Therefore, the Commission will consolidate the four cases for all purposes.

THE COMMISSION ORDERS THAT:

1. File Nos. EC-2013-0380, EC-2013-0381, and EC-2013-0382 are consolidated into File No. EC-2013-0379.
2. All future filings shall be made in File No. EC-2013-0379.

3. This order shall become effective upon issuance.
