Subject: Annual Report Deficiency for Access Fiber Group, Inc. (BMAR-2011-0571 & BMAR-2011-0632)

This email is a deficiency notice for your annual report. Your annual report is considered deficient until the following issue(s) are addressed:

The affidavit accompanying your company's annual report is incomplete. (Specifically the affidavit is not signed and notarized.)

Your annual report needs to be revised to correct the deficiency. Please resubmit your revised annual report in its entirety. Any revised annual report/response must be filed with the Missouri Commission's Electronic filing and Information System (EFIS) using the identification number previously supplied upon your initial annual report submission to the Commission. Please ensure a revised annual report is filed within EFIS for each annual report filed within EFIS. For instance if your company holds more than one certificate or registration then an annual report is filed within EFIS based on each certificate or registration held by a company.

Please be aware that per Commission rule 4 CSR 240-3.540(4) a company is required to respond within 20 days of being notified of a deficiency in a company's annual report. Failure to respond within 20 days may subject the company to a penalty of \$100 per day that it is late in filing a response to the deficiency.
