Re: Qwest Communications Company, LLC IXC & CLEC Annual Report for Calendar Year 2010

Enclosed please find the Public and Non-Public versions of the Interexchange Telecommunications Carrier – Competitive Local Exchange Carrier Annual Report to the Missouri Public Service Commission for the year ending December 31, 2010 for Qwest Communications Company, LLC.

The 2010 Annual Report for Qwest Communications Company, LLC contains 3 additional tabs. The first of three additional tabs is called "Page 3 Addendum". The reason for this additional tab is because QCC "Total Company" revenue is not available at the level of detail specified on Page 3 of this report. In addition, because the "Total" cell on Page 3 is "protected", the only way to provide QCC "Total Company" revenue is to create a new tab (Page 3 Addendum) that is not protected and input the total company revenue amount for QCC on the line of the report for "Total". The second of three additional tabs is called "Form Page 7 Section E" and provides additional clarifying information regarding section E. The third of three additional tabs is called "Form Page 7 Section H" and provides additional clarifying information regarding section H.

Qwest has designated QCC Total Company Revenue reported on Page 3 Addendum as confidential. We have also included an affidavit stating that the confidential information should be kept under seal.

A copy of Qwest's annual CPNI filing to the Federal Communications Commission is included as an attachment.

If you have questions on any aspect of these reports, please contact me at 402-422-7362 or by e-mail at Larry.Jirovsky@qwest.com.

Sincerely,
