## STAFF'S MOTION FOR LEAVE TO SUBSTITUTE PREFILED TESTIMONY

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and hereby moves the Commission for leave to substitute a corrected version for the prefiled HC and NP Surrebuttal testimony of Lisa Kremer because, as originally filed on December 18, 2015, the testimony contained a Highly Confidential passage that, inadvertently, was not so marked. It is therefore improperly available to the public in the NP version. Only by substituting corrected versions for the originally filed versions can the passage in question be protected from public disclosure.

WHEREFORE, Staff prays that the Commission will grant its motion for leave and that it will do so expeditiously in order to prevent public disclosure of Highly Confidential information; and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

## /s/ Kevin A. Thompson
